Privilege vs. Equality Robert P. Wettemann Jr., 2009-09-23 Between 1815 1860 the tiny American army took on many new and often daunting tasks In the face of civil opposition to the very existence of a professional military the first battle officers and supporters had to win after 1815 was that of simply preserving some small professional force As American interests expanded further west and conflict with Native Americans increased the army was charged with the dual responsibility of peacekeeper and conqueror Its most dramatic successes however came during the Mexican War and the conquest of the American Southwest Against this back drop Wettelman crafts a narrative overview of the rivalries personalities and events that defined civil military relations during this era Beginning in 1815 the U S Army struggled for existence within a society that was not convinced that a standing army was worth the expense At the same time many questioned the viability of a professional officer corps citing the innate ability of the American fighting man as demonstrated in earlier conflicts Although efforts were undertaken early on to define the role and status of a peacetime army issues of national defense domestic security Indian policy and internal improvements shaped civil military relations over the next 4 12 decades While the true position of the citizen soldier in relation to a standing army had not been clearly defined by 1860 the nation had made giant strides towards full acceptance of the idea that the U S Army a standing force commanded by military professionals was a national necessity

Manuscripts, Market and the Transition to Print in Late Medieval Brittany Diane E. Booton, 2016-12-05 Manuscripts Market and the Transition to Print in Late Medieval Brittany surveys the production and marketing of non monastic manuscripts and printed books over 150 years in late medieval Brittany from the accession of the Montfort family to the ducal crown in 1364 to the duchy's formal assimilation by France in 1532 Brittany as elsewhere experienced the shift of manuscript production from monasteries to lay scriptoria and from rural settings to urban centers as the motivation for copying the word in ink on parchment evolved from divine meditation to personal profit Through her analysis of the physical aspects of Breton manuscripts and books parchment and paper textual layouts scripts and typography

illumination and illustration Diane Booton exposes previously unexplored connections between the tangible cultural artifacts and the society that produced acquired and valued them Innovatively Booton s discussion incorporates archival research into the prices wages and commissions associated with the manufacture of the works under discussion to shed new light on their economic and personal value **The Bookman's Journal and Print Collector** Wilfred Partington, 1920
