Alaska Survival Guide:

One Year in Alaska Ellis Paul, 2014-10-26 One Year in Alaska is a unique and peerless guide for traditional living in the Alaskan woods and will provide a wealth of valuable information for all who have dreamed of that life It is a useful survival and tip guide for the vacationing outdoor hobbyist and the serious adventurer alike It is substantive enough to save your life if stranded alone in the wild although that is not its main purpose and lighthearted enough to be a tour guide to the Alaskan outdoors The information and instruction provided here is timeless and not dependent upon modern day technology although it does make use of certain practical conveniences that have come into existence since the Gold Rush days such as the chainsaw Deet bug repellent nylon tarps and visqueen outboard motors etc But nearly all the gear food and techniques are indistinguishable from the forms used a hundred and in some cases even a thousand years ago not for Old Fashions Sake rather because they proved to be unimprovable To my mind nothing captures and conveys the spirit of the frontier in the bush more perfectly than an old school flat bottom riverboat loaded to the thwarts pushed by a small motor No wheel or console just you and a tiller against the wind Add some rain and a 600 mile two week journey ahead of you and you are as close to the old world as you will ever be The spirit of Old Alaska can't be found in a particular place simply by being there rather it is a state of mind and a particular set of values and beliefs It is a way of seeing things not a way of dressing or intentionally depriving yourself of pleasure and conveniences It's about minimizing your attachment and dependence upon the outside world and maximizing your self sufficiency while being as comfortable as you can make yourself with simple things It's not about self denial far from it it's more about a form of self indulgence and pursuing a certain kind of happiness to live a life that nurtures a part of the soul that longs for independence and personal liberty Surviving Alaska Mary Ames, 2008 How to stay alive in Alaska's wilderness DK Eyewitness Travel Guide: Alaska Eric Amrine, 2010-12-01 Whether spotting a moose stopping traffic in Anchorage or exploring Alaska's stunning glacier lined coast by cruise ship the Last Frontier is sure to exceed all expectations Complete with 3D mapping extensive hotel and restaurant selections guided walks and evocative photography this is the most comprehensive guide to Alaska on the market Let DK Eyewitness Travel Guides Alaska be your planning aid companion and souvenir as you experience the richness of our northernmost state Includes beautiful new photos illustrations and enhanced maps Extensive information on local customs currency medical services and transportation Helps travelers decide at a glance which regions are best suited to their trip The guides that show you what others only tell you **DK Eyewitness Travel Guide: Alaska**, 2012-04-16 Whether spotting a moose stopping traffic in Anchorage or exploring Alaska's stunning glacier lined coast by cruise ship the Last Frontier is sure to exceed all expectations Complete with 3D mapping extensive hotel and restaurant selections guided walks and evocative photography this is the most colorful and comprehensive guide to Alaska on the market Let DK Eyewitness Travel Guides Alaska be your planning aid companion and souvenir as you experience the richness of our northernmost state Includes
