Anti-suffrage Grace Duffield Goodwin, 1913 *Women Against Equality: A History of the Anti Suffrage Movement In the United States from 1895 to 1920* Anne Myra Benjamin, Ph.D., 2014 Anne Myra Benjamin Ph.D. grew up in Washington D.C. She was educated at Bryn Mawr College, the University of Chicago, and received her doctorate in French Literature at the University of Michigan at Ann Arbor. *Women Against Equality* her sixth book was inspired by a debate she heard in 1978 between Bella Abzug and Phyllis Schlafly on the Equal Rights Amendment. The author currently lives in Brooklyn, New York, where she continues to write about the history of American women.

The Case Against Woman Suffrage Man-Suffrage Association Opposed to Extension of Political Suffrage for Women, Everett Pepperrell Wheeler, 1915 *The Woman's Protest Against Woman Suffrage*, 1913 **White Women's Rights** Louise Michele Newman, 1999-02-04 This study reinterprets a crucial period, 1870s-1920s, in the history of women's rights, focusing attention on a core contradiction at the heart of early feminist theory. At a time when white elites were concerned with imperialist projects and civilizing missions, progressive white women developed an explicit racial ideology to promote their cause: defending patriarchy for primitives while calling for its elimination among the civilized. By exploring how progressive white women at the turn of the century laid the intellectual groundwork for the feminist social movements that followed, Louise Michele Newman speaks directly to contemporary debates about the effect of race on current feminist scholarship. *White Women's Rights* is an important book. It is a fascinating and informative account of the numerous and complex ties which bound feminist thought to the practices and ideas which shaped and gave meaning to America as a racialized society. A compelling read, it moves very gracefully between the general history of the feminist movement and the particular histories of individual women. Hazel Carby, Yale University
