

Candidate B

1. Dear Parents,

I have been looking after your children for a week now. My first impression would be that need to be taught discipline. They must be prepared for life. Luckily, I am here to teach them. They just at home in my hands, don't they anything about respect. Besides, they could have been doing much more useful things instead. They are obviously very naughty and disrespectful. I know it is about time to teach your children about life.

Since they must be prepared for life, I began the week with strict rules and habits. They must not waste time, there is always something to do around the house, whether it be cleaning the house or cooking dinner. I want them to see that eating sugar off the table will help nothing. Even if they get fat, that's not healthy. It is very dangerous for their health. Which is why I taught all my "Frederick" and taught them to eat meat. Doing this was good to be the right thing for the law. They were already much calmer and stopped suddenly fighting with each other, and your house is already starting to look much better now they are not eating their food arguing with each other.

I also thought they need to be more educated, which is why I taught up of an education programme. My first observation is that they are not enthusiastic about it. And I find myself. They also have to start having real books. Instead of reading cartoon books. They need some which teach them about life. However, there is not all that should be taught, you should be happy to know they can use different words just by looking at them or even just by smell, which were very difficult for them.

However, all that discipline is not enough, they still try to avoid or forget from me, but this will not happen again. I am ready for you situation. By the end of the week, they won't even think of doing so.

For the following week I have already planned everything. They will be taught the "philosophy of life" which I think is very good. I will keep teaching them things with very strict rules so they have discipline. They don't sit the food and pretend, this way they will stop having any more food. I will enforce my regulations with more severe punishment to guarantee success.

When you get home, your children will have changed. They will be more polite and respectful. They will be fully independent. Your house will be happy and not clean at when you left off.

Best Regards

Read the response and complete the following task to see where the candidate has met the criteria:

2) Where they have mentioned anything relating to Bullet 2, they need to tick and write B2. *Bullet 2: Give an account of your progress with them so far.*

3) Where they have mentioned anything relating to Bullet 3, they need to tick and write B3. *Bullet 3: Tell your plans for next week.*

4) Using the mark scheme you need to give the response a mark out of 15 for reading and a mark out of 5 for writing.

You also need to **EXPLAIN WHY** you have awarded this mark.
