A decorative graphic element consisting of a red circle with a white center, partially obscured by a white horizontal bar that extends from the left edge of the slide.

Aurora A Child Of God:

Aurora Joseph N. Padilla, 2022-07-23 Aurora is the story of a young woman pure of heart who lives in ancient Judea at the time of Jesus and the Roman occupation Named for the new dawn by an angel in her father s dream even from very young Aurora has visions and dreams of angels As she grows up with her father Jonah her mother Elizabeth her brother Gillen and their dog Auckie she begins to wonder deeply about the role of women in their faith that follows the teachings of Jesus When both parents pass away the siblings are force to leave the small farm for economic reasons to move to Jerusalem to the estate of their uncle Samuel It is there that Aurora s destiny is to be fulfilled For she has been chosen by God to represent women and to bring the word to the new Christian followers that women should be able to express and discuss their love for God and Jesus in public Distressed to learn of Jesus passing Aurora meets the High Priest of the Temple of Herod Eleazar who guides and teaches her more of Jesus ways She too meets Mary Magdalene All who meet Aurora feel she is blessed by God But will Aurora be able to reach the Christians followers not to mention the hostile Jewish Sanhedrin authorities and their followers at the important meeting at the Garden of Gethsemane And what actions will the governor Pontius Pilate take He who has already executed one guilt of heresy Aurora is the life and courage of a woman who blessed by God and must come to understand the role set before her to speak up amongst a people that forbids her to do so

Talking with the Children of God Gordon Shepherd, Gary Shepherd, 2024-04-22 Grounded in direct systematic observation by neutral observers Talking with the Children of God is a unique study of the radical religious movement now known as The Family International The book draws on extraordinarily candid interviews with the group s leaders and administrative staff In revealing new information about the organization s history beliefs and use of prophecy Gordon Shepherd and Gary Shepherd offer a highly detailed case study that is both an antidote to sensationalized coverage of the group and a means for understanding the transformational practices of new religious movements in general One of the most controversial groups emerging from the Jesus People movement of the 1960s the Family originally was known as The Children of God Under leader David Berg members proclaimed an apocalyptic Endtime shunned secular occupations lived communally and adopted unusual sexual practices that led to abuse scandals in the 1970s and 1980s Following Berg s death in 1994 the organization began to dramatically alter its evangelization efforts and decision making processes Talking with the Children of God builds a picture of a complex organization with ten thousand core members worldwide including details on the lives careers and responsibilities of the second generation and their efforts to defend their faith The authors summarize the Family s history and beliefs as well as its controversial past In particular they analyze the organization s use of prophecy or channeled revelations from Jesus and other spiritual beings for making decisions and setting policy revealing how this essentially democratic process works and how it shapes Family life and culture These remarkable insights are the result of sixteen years of surveys and field observations conducted in Family member homes in sixteen countries plus four days of face to face

interviews with Family leaders and organizational staff The volume also includes condensed transcripts of the interviews with analysis by Shepherd and Shepherd

Faith Like a Child Lacy Finn Borgo, 2023-05-09 A well known challenge of Jesus to his followers is to become like little children Lacy Finn Borgo considers this invitation to childlike faith and explores seven different ways of welcoming the child within Offering wisdom from years of experience as a spiritual director Borgo explores practices to welcome and enliven your childhood self

The West Side Kid Valentine Cardinale, 2009-05-20 Lorne Bennett used to be a quite famous movie star until that fateful day when his wife was found murdered in their Manhattan apartment and he became the prime suspect Unable to provide an adequate alibi The West Side Kid as he is known to his fans felt forced to flee and leave his baby daughter Laura behind with her aunt and uncle Twenty two years later he is still on the run unaware that Laura now grown and working as an advertising copywriter in New York City has become so obsessed with learning as much as she can about her parents she launches her own investigation into the murder and her father's role in it Against the advice of police and relatives she throws herself into the cold case and picks up some valuable information Gradually the pieces start coming together but the more she learns the more her life and the lives of others are endangered Here's what reviewers are saying about The West Side Kid For Reader Views reviewer Olivera Baumgartner Jackson defines Cardinale's writing as definitely imaginative and engaging with a fast moving story wild twists and turns and an interesting ending His characters are well defined and thoroughly believable The villains are appropriately repugnant and the good guys dashing and daring Her favorite character is twelve year old Alex Volpe whose keen powers of observation and charming personality were a true asset in the quest for the truth The reviewer hopes that she along with Alex's father Billy and Laura appear in some kind of a sequel or spin off story in the near future Finally this comment I feel certain that The West Side Kid by Valentine Cardinale will be enjoyed by readers everywhere Midwest Book Review focusing on Lorne Bennett's plight calls attention to the role that fear plays in people's lives making you flee from everything including the ones you love The West Side Kid is an entertaining thriller and highly recommended reading ForeWord Clarion Review likes the way Cardinale skillfully throws suspicion on a series of individuals as Laura is repeatedly warned by a mysterious caller not to get involved in the investigation This reviewer also thinks that Alex's sleuthing produces nice touches and notes that the author has left open the door for sequels featuring several characters including the precocious Alex Cardinale's fast paced and imaginative twists and turns should keep his fans asking for more Sacramento Book Review calls The West Side Kid a well written novel with plenty to recommend While it is a mystery story it is also the search for meaning and roots Laura needs to lay her own ghosts to rest about her family and the abandonment she's felt all her life And her resolution provides her not only an answer to that early mystery but also peace with her life A quick and enjoyable story

Church Helper, 1891 **Haunted**

Childhoods in George MacDonald John Patrick Pazdziora, 2020-08-25 George MacDonald is generally remembered as a benevolent preacher who wrote fairy tale books for children Closer reading however reveals one of the most startlingly

inventive slyly subversive Scottish writers of the nineteenth century His writings for children emerged from his own long struggle with faith and doubt in the face of multiple bereavements chronic illness and the persistent threat of early death Haunted Childhoods in George MacDonald reconsiders death and divine love in MacDonald s writings for children It examines his private letters and public sermons obscure early writings and most beloved stories Setting his work alongside texts by James Hogg and Andrew Lang it argues that MacDonald appropriated traditional Scottish folk narratives to help child readers apprehend his mystically inclined understanding of mortality

Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God Linda M. Lewis,1998 Lewis English Bethany College studies Browning s religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest Using insights from contemporary feminist thought she argues that Browning s religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest Draws on Browning s most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets Annotation copyrighted by Book News Inc Portland OR [The Complete Works of Elizabeth Barrett Browning](#) Elizabeth Barrett Browning,1900

The Baby Barter Patty Smith Hall,2016-01-01 A BABY TO CHERISH Home from the war army nurse Thea Miller is determined to adopt her late sister s baby and begin a new life But someone else has the same intentions the town sheriff and Thea s old friend Mack Worthington Now in order to keep her niece in the family Thea must reach an agreement with him Mack isn t sure Thea whose actions once hurt him badly is committed to baby Sarah And a judge may never approve a single parent adoption for either of them But what if they got married It would be a marriage in name only Yet the more time Mack spends with Thea the more he begins to believe their pretend family can become the real one they ve both been longing for

The Missional Mom Helen Lee,2011-01-01 Do you see motherhood as a mission and divine calling Today s Christian moms come from a full range of personal and professional contexts whether they are homemakers full time workers in the marketplace or somewhere in between Yet many Christian mothers are living missional lives using their gifts and abilities to further God s kingdom by engaging the world around them They artfully passionately and sometimes messily juggle multiple callings and demonstrate in their modern day contexts how they are emulating the woman of noble character in Proverbs 31 The Missional Mom will affirm Christian mothers who desire to not only to build their homes in a Christ like way but also engage the world with their skills abilities and interests It won t minimize the importance of a woman s role in her home but it will encourage her to not ignore the stirrings God has planted within her to extend her influence

The Top Books of the Year Aurora A Child Of God The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Aurora A Child Of God : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Aurora A Child Of God : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Aurora A Child Of God : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
