Batguy A Play For Young Audiences:

Batguy: A Play for Young Audiences. L. Henry Dowell, 2014-06-23 You ever mambo with Robert DeNiro in a pale blue seersucker suit The Jerk Who is the mysterious Caped Crimebuster of Gothic City Why it s Batguy The Dark Nut himself Now you can introduce your audience to this hilarious family friendly parody of the 1989 film starring Michael Keaton Jack Nicholson and Kim Basinger Running Time 1 Hour Cast Size 15 National Theatre Connections 2012: Plays for Young People Hilary Bell, Nancy Harris, Craig Higginson, Michael Lesslie, Anders Lustgarten, Rory Mullarkey, Steven Sater, Meera Syal, Paven Virk, Samir Yazbek, 2014-07-17 This brilliant new collection of ten plays for young people will prove indispensable to schools colleges and youth theatre groups Specially commissioned by the National Theatre for the Connections Festival 2012 involving 200 schools and youth theatre groups across the UK and Ireland each play is accompanied by production notes and exercises For the 2012 Festival the anthology has an international feel and offers a window on the world It includes from Australia a play based on a nineteenth century court case in which a teenage girl was falsely convicted from Brazil a drama about young lovers doomed to tragedy set in Russia a play exploring differing attitudes to National Service and the collapse of the Soviet Union in 1991 a drama about students rights to an education and the Cultural Revolution of 1966 in China and a comedy involving a group of Irish country girls travelling to London to audition for the X Factor

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Using Superheroes in Counseling and Play Therapy** Lawrence C. Rubin, 2006-12-20 Harness the Therapeutic Power of the Superhero Application of the Star Wars Adoption Narrative Emotional Literacy and the Incredible Hulk Batman and Trauma What Would Superman Do An Adlerian Approach With an incisive historical foreword by John Shelton Lawrence and insight from contributors such as Michael Brody Patty Scanlon and

Roger Kaufman Lawrence Rubin takes us on a dynamic tour of the benefits of using these icons of popular culture and fantasy in counseling and play therapy Not only can superheroes assist in clinical work with children but Rubin demonstrates how they can facilitate growth and change with teen and adults Early childhood memories of how we felt pretending to have the power to save the world or our families in the face of impending danger still resonate in our adult lives making the use of superheroes attractive as well to the creative counselor In presenting case studies and wisdom gleaned from practicing therapists experience Lawrence Rubin shows how it is possible to uncover children s secret identities assist treatment of adolescents with sexual behavior problems and inspire the journey of individuation for gay and lesbian clients all by paying attention to our intrinsic social need for superhero fantasy and play

Batman Unmasked Will Brooker,2013-09-20 Over the sixty years of his existence Batman has encountered an impressive array of cultural icons and has gradually become one himself This fascinating book examines what Batman means and has meant to the various audiences groups and communities who have tried to control and interpret him over the decades Brooker reveals the struggles over Batman s meaning by shining a light on the cultural issues of the day that impacted on the development of the character They include patriotic propaganda of the Second World War the accusation that Batman was corrupting the youth of America by appearing to promote a homosexual lifestyle to the fans of his comics Batman becoming a camp pop culture icon through the ABC TV series of the sixties fans interpretation of Batman in response to the comics and the Warner Bros franchise of films

The Batman Filmography, 2d ed. Mark S. Reinhart,2013-07-30 This is a complete reference work to the history of Batman big screen works from the 1940s serials through the campy 1960s TV show and film and up through the series of Warner Bros summer blockbusters that climaxed with Christopher Nolan s 2012 film The Dark Knight Rises Chapters on each Batman feature include extensive film and production credits a production history and a critical analysis of the movie relative to the storied history of the Batman character The book also examines the Batman related works and events that took place in the years between the character s film exploits

The Business of Entertainment Robert C. Sickels,2008-11-30 We love to be entertained And today s technology makes that easier than ever Listen to tunes while working out No problem Watch a movie on your cell phone Can do Get 450 channels of digital entertainment bounced off a satellite and into your vehicle even while traveling through empty wastelands Simple But behind these experiences is a complex industry dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll the processes by which products are developed and the methods they use to promote and distribute entertainment As this set shows the industries in which commerce art and technology intersect are among the most fascinating in all of business Entertainment is a high stakes industry where stars are born and flame out in the blink of an eye where multimillion dollar deals are made on a daily basis and where cultural mores for better or worse are shaped and reinforced The Business of Entertainment lifts the curtain to show the machinery and sleight of hand behind the films TV shows music and radio

programs we can't live without. The Business of Entertainment comprises three volumes covering movies, popular music, and television. But it's not all about stars and glitter; it's as much about the nuts and bolts of daily life in the industry, including the challenges of digitizing content, globalization, promoting stars and shows, protecting intellectual property, developing talent, employing the latest technology, and getting projects done on time and within budget. Challenges don't end there. There's also advertising and product placement, the power of reviews and reviewers, the cancerous spread of piracy, the battles between cable and satellite operators, and the threat to both from telephone companies, the backlash to promoting gangsta lifestyles, and more. Each chapter is written by an authority in the field, from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers. The result is a fascinating mosaic, with each chapter a gem that provides insight into the industry that hands down generates more conversations on a daily basis than any other.

Batman and the Multiplicity of Identity Jeffrey A. Brown, 2018-12-12

Concentrating primarily on contemporary depictions of Batman in the comic books, this book analyzes why Batman is so immensely popular right now in America and globally, and how the fictional Dark Knight reveals both new cultural concerns and longstanding beliefs about American values. The organizing premise is that while Batman is perceived as a very clearly defined character, he is open to a wide range of interpretations and depictions in the comics, what Henry Jenkins refers to as multiplicities, each of which allows access to different cultural issues. The idea of Batman functions as an anchoring point out of which multiple Batmen or Batman-like characters can occupy different positions: Grim Batman, Gay Batman, Female Batman, Black Batman, Cute Batman, and so on. Each iteration opens up a discussion of different cultural issues pertinent to modern society, such as sexuality, ethnicity, feminism, and familial relationships.

The Many Lives of the Batman Roberta Pearson, William Uricchio, 2023-02-28

First published in 1991, *The Many Lives of the Batman* is a serious academic exploration of the cultural phenomenon called Batman. Marketing savvy alone did not build the Batman's extraordinary success; it encompasses a variety of audiences who have embraced the hero through a collage of different media manifestations during his long history. Batman's overlapping lives are illuminated in this critical anthology, which analyses the contexts of the character's production and reception across a wide spectrum of time and media forms. This volume includes interviews with the character's original creators. The other essays consider such questions as the political economy of comic book and film production processes, the cult status of the sixties television series, in various fan communities, and the postmodernism of past and present Batman films. Using the tools of cultural studies, the book unmask the Caped Crusader's mysterious attraction.

Many More Lives of the Batman Roberta Pearson, William Uricchio, Will Brooker, 2019-07-25

The Many Lives of the Batman (1991) was a pioneer within cultural and comic book scholarship. This fresh new sequel retains the best of the original chapters but also includes images, new chapters, and new contributions from the Batman writers and editors. Spanning 75 years and multiple incarnations, this is the definitive history of Batman.
