Baker, 2024-06-10 Reprint of the original first published in 1876 **Guide Book to Lookout Mountain** Clarence W. Baker, 2015-07-14 Excerpt from Guide Book to Lookout Mountain And Brief Account of Battles Fought Near Chattanooga Tennessee The village of Chattanooga lying among the mountains of East Tennessee has grown into a thriving and prosperous city The Pittsburgh of the South as its enterprising citizens call it and fancy it will prove to be in the near future It has passed through war famine during the siege of 63 when Gen Thomas men tightened up their belts a hole each day and mules lived or died rather upon a sparse diet of fence rails and wagon tongues flood and fire and still lives and flourishes as perhaps no other city in the South does enterprise and vim will win By the way the Indian name of the city does not mean Eagle s Nest or Hawk s Nest as certain veracious newspaper correspondents would have it Those who have given the subject attention say it was originally the name of a small Indian village situated on the bank of a creek of the same name near the base of Lookout Mountain The word means in the Cherokee dialect to draw a fish out of water and hence the name was given to the village of Indian fishermen It was then very appropriate but when given to the town built by white men lost its meaning although it is unique and musical as most Indian names are About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *BATTLE OF*

CHATTANOOGA L. PRANG AND. COMPANY, 2022 *The Civil War Battles of Chickamauga and Chattanooga* Jesse Littleton Rogers, 2021-08-30 Excerpt In 1863 Chattanooga was a very small town with a population of only 4 000 Notwithstanding the small population it was the objective of both the Union and Confederate armies Its importance was chiefly due to the railroads that intersected here There were rail connections to the Mississippi River at Memphis to the Ohio River via

Nashville and Louisville to the Atlantic at Savannah and Charleston via Atlanta and to Richmond via Knoxville and Lynchburg In addition to this Chattanooga was located on the Tennessee River Therefore with every transportation facility possible its possession was of vital importance Union troops in possession of Chattanooga meant a wedge through the Confederacy because Chattanooga was the key to east Tennessee and northwest Georgia Furthermore it would discourage the forwarding of supplies and the transportation of troops back and forth from Richmond to the areas in west Tennessee and Mississippi The section of east Tennessee in which Chattanooga is located is one of the most fertile sections in the entire South for the production of grain Not only wheat corn and hay but plenty of beef bacon horses and mules All of these were of vital importance in the support of an army In fact both Governments profited from the resources of this area Another reason for Chattanooga s importance was a political reason All of the mountainous region of east Tennessee in which Chattanooga is located was exceptionally sympathetic with the Union President Lincoln and his military advisers regarded the possession of Chattanooga by the Union army as second only in importance to the capture of Richmond the Confederate capital It was by far the most important city in Tennessee to place Union forces since it would encourage the Unionist sentiment and relieve the loyal citizens from Confederate control *The Railroad Trainman* ,1928 [The Civil War Battles of Chickamauga and Chattanooga \(Classic Reprint\)](#) Jesse Littleton Rogers,2017-07-17 Excerpt from The Civil War Battles of Chickamauga and Chattanooga The park was created as a result of the reunion Of the Army of the Cumberland which was held in Chattanooga Tennessee on September 19 20 1889 At this reunion the Chickamauga Memorial Association was formed Gen John T Wilder was elected president and Gen Joseph Wheeler vice president Then a Board of Directors numbering 28 were elected Of this number an equal division was made Of ex union and ex confederate officers Since that time the various states having troops in the battles have erected hundreds Of beautiful expensive monuments and mark ers which Show the exact regimental positions Of their troops The tablets mark the brigade and division positions and give a brief his tory of their activities The blue tablets mark the Union positions while the red tablets mark Confederate positions Another interest ing thing to know is that all of these tablets have been placed in such a manner that when you are facing them you are facing the same direction which the troops were facing at that time and place There fore if anyone cares to follow up the movements of any particular organization it can be done very easily Every effort has been made to restore the battlefields to their original condition Speaking of the shell pyramids there are 14 of the square base type which mark the headquarters sites of either an army corps or the field headquarters of the commanding general There are 8 of the triangular base pyramids which mark the exact Spot where each of the brigade commanders lost their lives All Of these are located on the Chickamauga battlefield On Missionary Ridge a bronze cannon ball monument has been substituted for a pyramid This also marks the site where a brigade commander lost his life One original house stands on the Chickamauga battlefield also three replicas of the original About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www](http://www.forgottenbooks.com)

Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt Bertis D. English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County, Alabama. In his fascinating in-depth study, Bertis D. English analyzes why Perry County, situated in the heart of a violence-prone subregion of Alabama, enjoyed more peaceful race relations and less bloodshed than several neighboring counties. Choosing an atypical locality as central to his study, English raises questions about factors affecting ethnic disturbances in the Black Belt and elsewhere in Alabama. He also uses Perry County, which he deems an anomalous county to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions. English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen, clergy, politicians, and other leaders during Reconstruction. Together with egalitarian or opportunistic white citizens, they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched. English also illustrates how a significant number of educational institutions, a high density of African American residents, and an unusually organized and informed African American population were essential factors in forming Perry County's character. He likewise traces the development of religion in Perry, the nineteenth-century Baptist capital of Alabama, and the emergence of civil rights in Perry, an underemphasized center of activism during the twentieth century. This well-researched and comprehensive volume illuminates Perry County's history from the various perspectives of its black, interracial, and white inhabitants, amplifying their own voices in a novel way. The narrative includes rich personal details about ordinary and affluent people, both free and unfree, creating a distinctive resource that will be useful to scholars as well as a reference that will serve the

needs of students and general readers
