Antiquary Sir Walter Scott

Walter Scott, Sir

Antiquary Sir Walter Scott:

The Antiquary Walter Scott, Sr., 2014-03 This Is A New Release Of The Original 1906 Edition The antiquary Walter Scott, 1893 **The Works of Sir Walter Scott, Bart: The Antiquary** Sir Walter Scott, 2019-03-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Antiquary by Sir Walter Scott - Delphi Classics (Illustrated) Sir Walter Scott, 2017-07-17 This eBook features the unabridged text of The Antiquary from the bestselling edition of The Complete Works of Sir Walter Scott Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of Scott includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate eBooks quickly and easily eBook features The complete unabridged text of The Antiquary Beautifully illustrated with images related to Scott's works Individual contents table allowing easy navigation around the eBook Excellent formatting of the text Please visit www.delphiclassics.com to learn more about our wide range of titles **The Antiquary** Sir Walter Scott, Sir Walter Scott, Sr., 1999-10-01 High quality reprint of The Antiquary by Sir Walter Scott **The Antiquary** Sir Walter Scott, 1862 **The Antiquary , Complete** Walter Scott, 2016-01-27 VOLUME ONE I knew Anselmo He was shrewd and prudent Wisdom and cunning had their shares of him But he was shrewish as a wayward child And pleased again by toys which childhood please As book of fables graced with print of wood Or else the jingling of a rusty medal Or the rare melody of some old ditty That first was sung to please King Pepin's cradle INTRODUCTION The present work completes a series of fictitious narratives intended to illustrate the manners of Scotland at three different periods Waverley embraced the age of our fathers Guy Mannering that of our own youth and the Antiquary refers to the last ten years of the eighteenth century I have in the two last narratives especially sought my principal personages in the class of society who are the last to feel the influence of that general polish which assimilates to each other the manners of different nations Among the same class I have placed some of the scenes in which I have endeavoured to illustrate the operation of the higher and more violent passions

both because the lower orders are less restrained by the habit of suppressing their feelings and because I agree with my friend Wordsworth that they seldom fail to express them in the strongest and most powerful language This is I think peculiarly the case with the peasantry of my own country a class with whom I have long been familiar The antique force and simplicity of their language often tinctured with the Oriental eloquence of Scripture in the mouths of those of an elevated understanding give pathos to their grief and dignity to their resentment I have been more solicitous to describe manners minutely than to arrange in any case an artificial and combined narrative and have but to regret that I felt myself unable to unite these two requisites of a good Novel The knavery of the adept in the following sheets may appear forced and improbable but we have had very late instances of the force of superstitious credulity to a much greater extent and the reader may be assured that this part of the narrative is founded on a fact of actual occurrence

The Antiquary Walter Scott, 2009-04-23 First published in 1816 in the aftermath of Waterloo The Antiquary deals with the problem of how to understand the past in order to enable the future It displays Scott's matchless skill at painting the social panorama and in creating vivid characters from the beggar Edie Ochiltree to the Antiquary himself The text is based on Scott's own final authorized version the Magnum Opus edition of 1829

The Antiquary Sir Walter Scott, Sir, Walter Scott, Sr., 1999-10-01 High quality reprint of The Antiquary by Sir Walter Scott

The Antiquary - Complete Walter Scott, Sir, 2014-05-26 To the above advertisement which was prefixed to the first edition of the Antiquary it is necessary in the present edition to add a few words transferred from the Introduction to the Chronicles of the Canongate respecting the character of Jonathan Oldbuck I may here state generally that although I have deemed historical personages free subjects of delineation I have never on any occasion violated the respect due to private life It was indeed impossible that traits proper to persons both living and dead with whom I have had intercourse in society should not have risen to my pen in such works as Waverley and those which followed it But I have always studied to generalise the portraits so that they should still seem on the whole the productions of fancy though possessing some resemblance to real individuals Yet I must own my attempts have not in this last particular been uniformly successful There are men whose characters are so peculiarly marked that the delineation of some leading and principal feature inevitably places the whole person before you in his individuality Thus the character of Jonathan Oldbuck in the Antiquary was partly founded on that of an old friend of my youth to whom I am indebted for introducing me to Shakspeare and other invaluable favours but I thought I had so completely disguised the likeness that it could not be recognised by any one now alive I was mistaken however and indeed had endangered what I desired should be considered as a secret for I afterwards learned that a highly respectable gentleman one of the few surviving friends of my father and an acute critic had said upon the appearance of the work that he was now convinced who was the author of it as he recognised in the Antiquary traces of the character of a very intimate friend of my father's family The late George Constable of Wallace Craigie near Dundee I have only farther to request the reader not to suppose that my late respected

friend resembled Mr Oldbuck either in his pedigree or the history imputed to the ideal personage There is not a single incident in the Novel which is borrowed from his real circumstances excepting the fact that he resided in an old house near a flourishing seaport and that the author chanced to witness a scene betwixt him and the female proprietor of a stage coach very similar to that which commences the history of the Antiquary An excellent temper with a slight degree of subacid humour learning wit and drollery the more poignant that they were a little marked by the peculiarities of an old bachelor a soundness of thought rendered more forcible by an occasional quaintness of expression were the author conceives the only qualities in which the creature of his imagination resembled his benevolent and excellent old friend

Immerse yourself in the artistry of words with Experience Art with is expressive creation, **Antiquary Sir Walter Scott** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
