Aunty Mula Katha Malayalam:

Malpractices In Sanatan Dharma: The Big Lie Krishnansh Agrawal, This book thoroughly explores the multiple conspiracies ascribed by leftist historians who have conspired in an attempt to portray Bhartiya women as oppressed and weaken the foundations of Sanatan Dharma The author scrutinizes these claims and provides a comprehensive examination of the alleged conspiratorial efforts Moreover the book delves into the distortion of Bhartiya history perpetrated by foreign invaders and the deliberate manipulation of language to further their own agendas By presenting meticulous accounts the author sheds light on the purported tampering of historical records and the calculated alteration of narratives In light of the extensive research and analysis undertaken I cordially invite you to engage with this book and embark on a deep exploration of these subjects Its contents offer valuable insights into the intricate web of conspiracy theories surrounding the portrayal of Bhartiya women and the manipulation of Indian history offering readers an opportunity to critically evaluate these claims
