PRAISE FOR PETER FITZSIMONS Peter FitzSimons is an Australian phenomenon The Canberra Times Meticulously researched well written and incredibly presented Weekend Notes *Islands, Identity and the Literary Imagination* Elizabeth McMahon, 2016-07-09 Australia is the planet's sole island continent This book argues that the uniqueness of this geography has shaped Australian history and culture including its literature Further it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity The book links the historical and geographical conditions of islands with their potent role in the imaginaries of European colonisation It prises apart the tangled web of geography fantasy desire and writing that has framed the Western understanding of islands

both their real and material conditions and their symbolic power from antiquity into globalised modernity The book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island's mirror The interrelationship of the island fantasy colonial expansion and the literary construction of place and history created a new man the dislocated and alienated subject of post colonial modernity This book looks at the contradictory images of islands from the allure of the desert island as a paradise where the world can be made anew to their roles as prisons as these ideas are made concrete at moments of British colonialism It also considers alternatives to viewing islands as objects of possession in the archipelagic visions of island theorists and writers It compares the European understandings of the first and last of the new worlds the Caribbean archipelago and the Australian island continent to calibrate the different ways these disparate geographies unified and fractured the concept of the planetary globe In particular it examines the role of the island in this process specifically its capacity to figure a graspable globe in the mind The book draws on the colonial archive and ranges across Australian literature from the first novel written and published in Australia by a convict on the island of Tasmania to both the ancient dreaming and the burgeoning literature of Aboriginal and Torres Strait Islanders in the twenty first century It discusses Australian literature in an international context drawing on the long traditions of literary islands across a range of cultures The book's approach is theoretical and engages with contemporary philosophy which uses the island and the archipelago as a key metaphor It is also historicist and includes considerable original historical research

James Cook Peter FitzSimons, 2019-10-29 The name Captain James Cook is one of the most recognisable in Australian history an almost mythic figure who is often discussed celebrated reviled and debated But who was the real James Cook This Yorkshire farm boy would go on to become the foremost mariner scientist navigator and cartographer of his era and to personally map a third of the globe His great voyages of discovery were incredible feats of seamanship and navigation Leading a crew of men into uncharted territories Cook would face the best and worst of humanity as he took himself and his crew to the edge of the known world and beyond With his masterful storytelling talent Peter FitzSimons brings the real James Cook to life Focusing on his most iconic expedition the voyage of the Endeavour where Cook first set foot on Australian and New Zealand soil FitzSimons contrasts Cook against another figure who looms large in Australasian history Joseph Banks the aristocratic botanist As they left England Banks a rich famous playboy was everything that Cook was not The voyage tested Cook's character and would help define his legacy Now 240 years after James Cook's death FitzSimons reveals what kind of

man James was at heart His strengths his weaknesses his passions and pursuits failures and successes James Cook reveals the man behind the myth Wreck of the Batavia Peter FitzSimons,2004-08 Eureka: The Unfinished Revolution Peter FitzSimons,2012-11-01 Eureka the unfinished revolution history comes to life with Peter FitzSimons In 1854 Victorian miners fought a deadly battle under the flag of the Southern Cross at the Eureka Stockade Though brief and doomed to fail the battle is legend in both our history and in the Australian mind Henry Lawson wrote poems about it its symbolic flag is still raised and even the nineteenth century visitor Mark Twain called it a strike for liberty Was this rebellion a fledgling nation s first attempt to assert its independence under colonial rule Or was it merely rabble rousing by unruly miners determined not to pay their taxes In his inimitable style Peter FitzSimons gets into the hearts and minds of those on the battlefield and those behind the scenes bringing to life Australian legends on b **Lonely Planet West Coast Australia** Lonely Planet, The Catalpa Rescue Peter FitzSimons,2019-04-23 The incredible true story of one of the most extraordinary and inspirational prison breaks in Australian history New York 1874 Members of the Clan na Gael agitators for Irish freedom from the English yoke hatch a daring plan to free six Irish political prisoners from the most remote prison in the British Empire Fremantle Prison in Western Australia Under the guise of a whale hunt Captain Anthony sets sail on the Catalpa to rescue the men from the stone walls of this hell on Earth known to the inmates as a living tomb What follows is one of history s most stirring sagas that splices Irish American British and Australian history together in its climactic moment For Ireland who had suffered English occupation for 700 years a successful escape was an inspirational call to arms For America it was a chance to slap back at Britain for their support of the South in the Civil War for England a humiliation And for a young Australia still not sure if it was Great Britain in the South Seas or worthy of being an independent country in its own right it was proof that Great Britain was not unbeatable Told with FitzSimons trademark combination of arresting history and storytelling verve The Catalpa Rescue is a tale of courage and cunning the fight for independence and the triumph of good men against all odds

The Savage Shore Graham Seal,2016-04-26 For centuries before the arrival in Australia of Captain Cook and the so called First Fleet in 1788 intrepid seafaring explorers had been searching with varied results for the fabled Great Southland In this enthralling history of early discovery Graham Seal offers breathtaking tales of shipwrecks perilous landings and Aboriginal encounters with the more than three hundred Europeans who washed up on these distant shores long before the land was claimed by Cook for England The author relates dramatic previously untold legends of survival gleaned from the centuries of Dutch Spanish Portuguese French and Indonesian voyages to Australia and debunks commonly held misconceptions about the earliest European settlements ships of the Dutch East Indies Company were already active in the region by the early seventeenth century and the Dutch rather than the English were probably the first European settlers on the continent
