Battle Creek Postcard History:

Battle Creek Kurt Thornton, 2014 In the 1960s Battle Creek was a successful industrial town known around the world as the Cereal City due to the area's largest employers the ready to eat breakfast food companies of Ralston Foods the Kellogg Company and the Post division of General Foods As these long established businesses began to downsize automate and relocate the community met the new economic and social challenges by developing a downtown pedestrian mall converting a former military base into a vibrant industrial park and merging two municipalities into the third largest city by area in Michigan These changes along with many others have continued to guide this Midwestern community into the 21st century

Battle Creek Carol Bennett, Kurt Thornton, 2009-12-07 Founded in 1831 Battle Creek has transformed itself with a rapidly changing world from agrarian milling community to manufacturing center to the current morph into a food health research center For 100 years Cereal City has been connected to ready to eat breakfast foods home to the Post Division of General Foods Ralston Foods and the Kellogg Company making it the largest cereal producing city in the world Visitors and residents alike have enjoyed mailing postcards of this dynamic community to friends and family all over the world **The Kelloggs** Howard Markel, 2018-07-10 2017 National Book Critics Circle Award Finalist for Nonfiction What's more American than Corn Flakes Bing Crosby From the much admired medical historian Markel shows just how compelling the medical history can be Andrea Barrett and author of An Anatomy of Addiction Absorbing vivid Sherwin Nuland The New York Times Book Review front page the story of America's empire builders John and Will Kellogg John Harvey Kellogg was one of America's most beloved physicians a best selling author lecturer and health magazine publisher founder of the Battle Creek Sanitarium and patron saint of the pursuit of wellness His youngest brother Will was the founder of the Battle Creek Toasted Corn Flake Company which revolutionized the mass production of food and what we eat for breakfast In The Kelloggs Howard Markel tells the sweeping saga of these two extraordinary men whose lifelong competition and enmity toward one another changed America's notion of health and wellness from the mid nineteenth to the mid twentieth centuries and who helped change the course of American medicine nutrition wellness and diet The Kelloggs were of Puritan stock a family that came to the shores of New England in the mid seventeenth century that became one of the biggest in the county and then renounced it all for the religious calling of Ellen Harmon White a self proclaimed prophetess and James White whose new Seventh day Adventist theology was based on Christian principles and sound body mind and hygiene rules Ellen called it health reform The Whites groomed the young John Kellogg for a central role in the Seventh day Adventist Church and sent him to America's finest Medical College Kellogg's main medical focus and America's number one malady indigestion Walt Whitman described it as the great American evil Markel gives us the life and times of the Kellogg brothers of Battle Creek Dr John Harvey Kellogg and his world famous Battle Creek Sanitarium medical center spa and grand hotel attracted thousands actively pursuing health and well being Among the guests Mary Todd Lincoln Amelia Earhart Booker T Washington Johnny

Greetings from Alabama: A Pictorial History in Vintage Postcards Wade Hall,2016-09-01 Although he was a native of Bullock County Alabama Wade Hall teacher writer poet critic interviewer folklorist and documentarian spent most of his fifty year career in Kentucky But he was never emotionally far from his home as evidenced by his passion for collecting vintage Alabama postcards In his lifetime he amassed 10 000 which he then graciously gave to the University of Alabama Libraries and Troy University in a large joint bequest that also included rare books quilts folk art letters and more These postcards date from the late 1800s to the mid 20th century and offer a fascinating and diverse picture of the state The meaning of postcards that could be purchased as a travel souvenir is largely forgotten today when cameras are commonplace But the value of Hall s stunning collection cannot be missed The some 400 cards featured in *Greetings from Alabama* are revealing of scenes familiar and rare From Birmingham s Vulcan to Mobile s Bellingrath Gardens from Enterprise s boll weevil monument to Huntsville s rockets from Helen Keller s home to William Rufus King s resting place the scenes offer captivating glimpses of Alabama history *American Journey* Wes Davis,2023-06-06 Jaunty Davis excels in making his characters come alive on the page Christoph Irmscher Wall Street Journal The epic road trips and surprising friendship of John Burroughs nineteenth century naturalist and Henry Ford and Thomas Edison inventors of the modern age In 1913 an unlikely friendship blossomed between Henry Ford and famed naturalist John Burroughs When their mutual interest in Ralph Waldo Emerson led them to set out in one of Ford s Model Ts to explore the Transcendentalist s New England the trip would prove to be the first of many excursions that would take Ford and Burroughs together with an enthusiastic Thomas Edison across America Their road trips increasingly ambitious in scope transported members of the group to the 1915 Panama Pacific International Exposition in San Francisco the Adirondacks of New York and the Green Mountains of Vermont finally

paving the way for a grand 1918 expedition through southern Appalachia In many ways their timing could not have been worse With war raging in Europe and an influenza pandemic that had already claimed thousands of lives abroad beginning to plague the United States it was an inopportune moment for travel Nevertheless each of the men who embarked on the 1918 journey would subsequently point to it as the most memorable vacation of their lives These travels profoundly influenced the way Ford Edison and Burroughs viewed the world nudging their work in new directions through a transformative decade in American history In American Journey Wes Davis re creates these landmark adventures through which one of the great naturalists of the nineteenth century helped the men who invented the modern age reconnect with the natural world and reimagine the world they were creating

Domestic United States Military Facilities of the First World War

1917-1919 Robert Swanson,2000-02 This book attempts to list every place in the United States and Territories where soldiers sailors or marines might have been stationed during the First World War The reason for such a list is to provide source locations and checklists for postal history letters and cards from these military men The book lists all fixed land based United States military camps and facilities that operated during the War period There has long been a need for such a listing as it was not known where military mail could have originated within the US
