Ideological Battlegrounds - Constructions of Us and Them Before and After 9/11 Volume 1 Joanna Witkowska, Uwe Zagratzki, 2014-10-16 The effects of 9 11 ramify through a network of conduits and pathways including the examples of expressive culture this volume explores and the registration of those effects will likewise be felt in an array of documents and texts The cultural literary and mass mediated effects of 9 11 encompass the globe and the chapters in this volume assume a transnational and international range of vantage points The topics examined include the representation of Islam and Moslems in a number of texts and genres the political and psychological dilemmas faced by characters in a number of literary works and the refraction of current psycho cultural political tensions in forms of expressive culture in which the effects of 9 11 are felt in other than explicit ways Was 9 11 a moment that punctuated and disrupted the movement of history or as one of the authors suggests did it act as a catalyst to escalate existing stereotypes The chapters investigate not just different genres and cultural forms but distinct modes of intersection between the political the cultural and the psychological One achievement of this volume is to show how 9 11 s effects at times insinuate themselves in discourse through nuance and subtlety and at other times frontally assault texts and images In the words of one article modern Dutch post 9 11 novels directly participate in current cultural and political discourses By the same token these cultural and political discourses participate in novels films TV shows and the effects of 9 11 proliferate and concentrate in this exchange This volume draws timely attention to the multiple forms of this complex interaction Dr Patrick Hagopian University of Lancaster **Secret Honor** W.E.B. officers hot on their trails in both countries but the OSS has branded Frade a rogue agent and is determined to shake the truth from him at whatever cost If Frade can't figure a way to hold them all off then the futures of all three men may be very short indeed Written with the special flair that Griffin's readers expect filled with high drama and real heroes Secret Honor is further proof in Tom Clancy's words that Griffin is a storyteller in the grand tradition
