The Assistant is part one of the Emerald City Spies Trilogy. *The Starter Wife* Nina Laurin, 2019-06-11. From the bestselling author of *Girl Last Seen* comes a spine-tingler. Booklist of a psychological suspense perfect for fans of Lisa Jewell and Jessica Knoll. Local police have announced that they're closing the investigation of the suspected drowning of 37-year-old painter Colleen Westcott. She disappeared on April 11, 2010, and her car was found parked near the waterfront in Cleveland two days later, but her body has never been found. The chief of police has stated that no concrete evidence of foul play has been discovered in the probe. Close the online search window, annoyed. These articles never have enough detail. They think my husband's first wife disappeared, or they think she is dead. There's a big difference. My phone rings, jarring me away from my thoughts, and when I pick it up, it's an unknown number. The only answer to my slightly breathless hello is empty static. When the voice does finally come, it's female, low, muffled somehow. Where is it, Claire? What did you do with it? Tell me where it is. A woman. A real flesh and blood woman on the other end of the phone. She's not just in my head. A wave of panic spreads under my skin like ice water. It's Colleen Laurin. She knows how to ratchet up the suspense. Publishers Weekly.

To Invent Is Divine James R. Edwards, 2025-04-23. Christians generally know that God created the heavens and the earth and made human beings in his image. They know that the earth is the Lord's and the fullness thereof he owns. His creations. They know that skilled people create and own marvelous works. But a disconnect often occurs when it comes to God's communicable attributes of creativity and ownership and that combination's role in human innovation, technological progress, and practical benefits from human creativity and ownership. *To Invent Is Divine* connects the dots between creativity and ownership as well as the dots between that combination and the fruits of human flourishing.
