Advancing Self-Directed Learning in Higher Education Mncube, Dumsani Wilfred, Maphalala, Mncedisi Christian, 2023-05-01

Self directed learning SDL is considered a core concept in problem based learning PBL and student centered learning More importantly the current face to face model of curriculum implementation faces many challenges that seem to question its dominance over other models The violent nature of the COVID 19 pandemic has again vindicated SDL practitioners and research enthusiasts to continue seeking solutions that will enhance skills to cope in a rapidly changing technological globalized world However the higher education sector is challenged when promoting SDL due to a slow pace of digital integration since the education system is not fully transformed This has necessitated an urgent need for global discourse on how universities globally are implementing SDL strategies to enhance the quality of curriculum delivery

Advancing Self Directed Learning in Higher Education provides insight into various strategic approaches that could be adopted for the successful implementation of SDL in higher education It is written for professionals who want to improve their understanding of how to improve student teaching and learning and the quality of curriculum implementation in higher education In this realm this book provides ideas to its readers about the approaches pertaining to strategy and innovative measures practical implementations and tools in the field of curriculum and SDL Covering topics such as educational technology intentional education practice theory and student experience this premier reference source is an essential resource for teachers policymakers lecturers research scholars students of higher education administrators librarians academicians and researchers
