Beyond the Betrayal Yoshito Kuromiya, 2022-01-24 Beyond the Betrayal is a lyrically written memoir by Yoshito Kuromiya 1923-2018 a Nisei member of the Fair Play Committee FPC which was organized at the Heart Mountain concentration camp The first book length account by a Nisei World War II draft resister this work presents an insider's perspective on the FPC and the infamous trial condemning its members efforts It offers not only a beautifully written account of an important moment in US history but also a rare acknowledgment of dissension within the resistance movement both between the young men who went to prison and their older leaders and also among the young men themselves Kuromiya's narrative is enriched by contributions from Frank Chin Eric L. Muller and Lawson Fusao Inada Of the 300 Japanese Americans who resisted the military draft on the grounds that the US government had deprived them of their fundamental rights as US citizens Kuromiya alone has produced an autobiographical volume that explores the short and long term causes and consequences of this fateful wartime decision

In his exquisitely written and powerfully documented testament he speaks truth to power making evident why he is eminently qualified to convey the plight of the Nisei draft resisters He perceptively reframes the wartime and postwar experiences of the larger Japanese American community commonly said to have suffered in the spirit of shikata ga nai enduring that which cannot be changed and emerged with dignity Beyond the Betrayal makes abundantly clear that the unjustly imprisoned Nisei could and did exercise their patriotism even when they refused to serve in the military in the name of civil liberties and social justice Kuromiya s account initially privately circulated only to family and friends is an invaluable and insightful addition to the Nikkei historical record
