Quinzio,2009-05-05 Was ice cream invented in Philadelphia How about by the Emperor Nero when he poured honey over snow Did Marco Polo first taste it in China and bring recipes back In this first book to tell ice cream s full story Jeri Quinzio traces the beloved confection from its earliest appearances in sixteenth century Europe to the small towns of America and debunks some colorful myths along the way She explains how ice cream is made describes its social role and connects historical events to its business and

consumption A diverting yet serious work of history *Of Sugar and Snow* provides a fascinating array of recipes from a seventeenth century Italian lemon sorbet to a twentieth century American strawberry mallobet and traces how this once elite status symbol became today s universally available and wildly popular treat *Seventy Years of Best Sellers, 1895-1965* Alice Payne Hackett,1967 Made from Scratch Jean Zimmerman,2012-11-13 A stunning celebration and reappraisal of the importance of women s work *Made from Scratch* addresses the tug that many Americans feel between our professional and private lives In this stunning celebration and reappraisal of the importance of women s work acclaimed journalist Jean Zimmerman poignantly addresses the tug that many Americans of the twenty first century feel between our professional and private lives With sharp wit and intelligence she offers evidence that in the current domestic vacuum we still long for a richer home life a paradox visible in the Martha Stewart phenomenon in the continuing popularity of women s service magazines such as *Better Homes and Gardens* *Family Circle* and *Ladies Home Journal* whose combined circulation of over 17 million is nearly twice the combined circulation of *Time* *Newsweek* and *U S News World Report* and the booming business of restorations where onlookers get a hands on view of domestic life as it flourished in past centuries This book is about the ways home traditions passed from one generation to the next baking a birthday cake from scratch cherishing family heirlooms or discovering the satisfaction of piecing a quilt sustain our souls especially in our ever more processed synthetic world where we buy homemade goods and fail to see the irony in that *Made from Scratch* tells the story of the unsung heroines of the hearth investigating the history of female domesticity and charting its cultural changes over centuries Zimmerman traces the lives of her own family s homemakers from her tiny but indomitable grandmother who managed a farm strangled chickens with her bare hands and sewed all the family clothing to her mother who rejected her country upbringing yet kept a fastidious suburban home where the gender divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women s Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we ve progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter *Good Housekeeping* ,1929 Bro-Dart's Catalog of Books and Book Processing for School Libraries...
