Between By Jessica Warman:

Between Jessica Warman, 2011-08-02 Elizabeth Valchar pretty popular and perfect wakes up the morning after her eighteenth birthday party on her family's yacht where she'd been celebrating with her six closest friends. A persistent thumping noise has roused her. When she goes to investigate what she finds will change everything she thought she knew about her life, her friends, and everything in between. As Liz begins to unravel the circumstances surrounding her birthday night, she will find that no one around her, least of all Liz herself, was perfect or innocent. Critically acclaimed author Jessica Warman brings readers along on a roller coaster ride of a mystery, one that is also a heartbreaking character study, a touching romance, and ultimately a hopeful tale of redemption, love, and letting go. **The Last Good Day of the Year**

Jessica Warman, 2015-05-19 Ten years ago, seven-year-old Samantha and her next-door neighbor Remy watched helplessly as Sam's little sister was kidnapped. Later, Remy and Sam identified the man, and he was sent to prison. Now Sam's shattered family is returning to her childhood home in an effort to heal. As long-buried memories begin to surface, she and Remy wonder what they really saw. The more they re-examine the events of that fateful night, the more questions they have about what happened to Turtle, and they become more certain that Turtle's killer is still out there, hidden amongst the members of their tight-knit community. Master storyteller Jessica Warman keeps readers guessing in an arresting page-turner that questions whether the potential for evil lurks within us all. *Between* Jessica Warman, 2011-08-02 There were seven people on the boat that night, and when they awoke, there were six.

Where the Truth Lies Jessica Warman, 2010-09-28 Emily, whose father is headmaster of a Connecticut boarding school, suffers from nightmares, and when she meets and falls in love with the handsome Del Sugar, pieces of her traumatic past start falling into place. **The Mammoth Book of Best New Horror 23**

Stephen Jones, 2012-10-18 The year's best and darkest tales of terror showcasing the most outstanding new short stories by both contemporary masters of the macabre and exciting newcomers. As ever, this acclaimed anthology also offers a comprehensive overview of the year in horror: a necrology of recently deceased luminaries and a list of indispensable addresses for horror fans and writers. The Mammoth Book of Best New Horror remains the world's leading annual anthology dedicated solely to presenting the best in contemporary horror fiction. **Breathless** Jessica Warman, 2010-08-31 At

boarding school, Katie tries to focus on swimming and becoming popular instead of on the painful memories of her institutionalized schizophrenic older brother. Repeat After Me Jessica Warman, 2024-09-03 She's about to have a serious temporal tantrum. In retrospect, I probably should have passed on the ceviche. It was already a weird Friday. My class is stuck on an eerily remote island for our senior trip. I'm pretty sure Mr. D. Call me Max, is hiding something from us. My ex-best friend turned nemesis keeps stealing my candy, and tonight's plan for my boyfriend and me to finally lose our virginity to each other is going hellishly. I mean, ceviche is delicious, don't get me wrong. But a dish made from a supposedly immortal octopus should really come with a warning label. Caution: consuming a telepathic sea creature of unknown origin may result in immortality. No

consequences to any actions and getting stuck in a time loop for all of eternity Now every morning I wake up and it s the same Friday all over again Same annoying classmates Same island suspended in time by an evil oyster farmer with a God complex Same outrageous candy theft The only person I can count on to keep me from losing my grip on this new reality is Louis my best friend who knows me better than anyone else in this world This should be a cephalopod induced nightmare but somehow in some ridiculous way I feel like I m experiencing the extraordinary the gift of endless opportunities to get things right But when I wake up every morning and it s Friday again sometimes it feels more like a never ending prison sentence They say some things are worse than death guess I m about to find out At Entangled Teen we care about our readers experience Please be advised that this title is intended for ages 17 and may not be suitable for all audiences Bad Girls and Transgressive Women in Popular Television, Fiction, and Film Julie Chappell, Mallory Young, 2017-07-03 This collection of essays focuses on the representations of a variety of bad girls women who challenge refuse or transgress the patriarchal limits intended to circumscribe them in television popular fiction and mainstream film from the mid twentieth century to the present Perhaps not surprisingly the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women From the beginning for good or ill women have been depicted as insubordinate Today s popular manifestations include such widely known figures as Lisbeth Salander the girl with the dragon tattoo The Walking Dead s Michonne and the queen bees of teen television series While the existence and prominence of transgressive women has continued uninterrupted however attitudes towards them have varied considerably It is those attitudes that are explored in this collection At the same time these essays place feminist postfeminist analysis in a larger context entering into ongoing debates about power equality sexuality and gender **Persephone's Underground** Rickey Pittman, 2025-07-20 Persephone s Underground is a novel of approximately 71 000 words using a modern setting after 9 11 the date when disappearing in America became more difficult This is a story of Cora Roman name for Persephone a lady who like Persephone is forced to journey from Monroe Louisiana into a dark mysterious world of New Orleans hoping to find her way Through her eyes the reader will encounter a collage of characters who exist in the New Orleans underground Along with Cora the reader will discover many surprising secrets of the underbelly of New Orleans The novel blends the genres of crime mystery legend and romance *Film and the Afterlife* David Rankin, 2019-07-15 This book explores how post death existence is represented in popular film looking at issues such as continuity personal identity and the nature of existence beyond the grave Film often returns to the theme of dying death and the afterlife both directly and indirectly because there are very few subjects as compelling and universal The book compares the representation of death dying and the afterlife in films to scholarly surveys of attitudes towards life after death through the analysis of twenty films made between the end of World War II and now It looks at the portrayals of stages between death and a final destination spatio temporal and personal continuity the nature of afterlife existence in terms of embodiment or not and the contact between the worlds of the living and the dead This book

offers a wide ranging view on a compelling subject in film As such it will be of great interest to scholars of Religion and Film Religion and Media the Philosophy of Religion and the Sociology of Religion as well as Religion Media and Film Studies more generally
