Liebling, 2025-06-25 New Yorker staff writer A J Liebling recalls his Parisian apprenticeship in the fine art of eating in this charming memoir *Between Meals An Appetite for Paris* There would come a time when if I had compared my life to a cake the sojourns in Paris would have presented the chocolate filling The intervening layers were plain sponge In his nostalgic review of his Rabelaisian initiation into life's finer pleasures Liebling celebrates the richness and variety of French food fondly recalling great meals and memorable wines He writes with awe and a touch of envy of his friend and mentor Yves Mirande one of the last great gastronomes of France who would dispatch a lunch of raw Bayonne ham and fresh figs a hot sausage in crust spindles of filleted pike in a rich rose sauce Nantua a leg of lamb larded with anchovies artichokes on a pedestal of foie gras and four or five kinds of cheese with a good bottle of Bordeaux and one of Champagne all before beginning to contemplate dinner In A J Liebling a great writer and a great eater became one for he offers readers a rare and bountiful feast in this delectable book With an introduction by James Salter PEN Faulkner Award winning author of *A Sport and a Pastime* **Between Meals** Abbott Joseph Liebling, 1990 A J Liebling is an American Cyril Connolly whose passion which kept him away from the typewriter was eating Liebling describes his life and the people he met by comparing them to the food he was eating *Savoring Gotham*, 2015-11-11 *Savoring Gotham* traces the rise of New York City's global culinary stardom in 570 accessible yet well researched A Z entries From the Native Americans who arrived in the area 5 000 years before New York was New York and who planted the maize squash and beans that European and other settlers to the New World embraced centuries later to Greek diners in the city that are arguably not diners at all this is the first A Z reference work to take a broad and historically informed approach to NYC food and drink *Entre Nous* Debra Ollivier, 2004-05-01 An American woman who spent a decade in France shares French women's secrets to being self possessed self satisfied and fully self expressed Provocative and practical lively and intelligent *Entre Nous* unlocks the mystery of the French girl and the secrets of her self possession Why do French women always look inimitably stylish How do they manage to sit in a cafe for a three course lunch and a glass of wine by themselves What gives them the certainty that allows them to refuse anything whether a man a job or a little black dress that doesn't suit them perfectly More than just a book on fashion *Entre Nous* is about the essence of French living its observations about French women and their ways will help you take the best of all pages from the French girl's book the page that reveals how to really enjoy life A fun interesting read with more to offer than fashion tips Ollivier cracks the French style code Palm Beach Post
