Beyond Success and Failure Willard Beecher, Marguerite Beecher, 1986 Discusses the causes and struggles of adults who seek to rid themselves of dependent tendencies and explores ways to discover a sense of self reliance in order to begin living responsibly and maturely as an adult able to contend with any and all confronting problems **The Practice of Love** Lair Torrent, 2022-02-15 A master class in relationship repair and connection At its core this book delivers an inconvenient truth Our relationships have to be a daily practice if we want them to thrive We should treat them like we treat anything that we want to succeed by giving them time and attention For far too long it has been assumed that we should innately understand how to love one another Relationships have fallen into the category of things we should know how to do But we are not born knowing how to make a relationship work any more than we are born knowing how to file taxes or buy insurance and there are no classes in high school or college that teach us how to do this The Practice of Love is that class In his work Lair Torrent a licensed marriage and family therapist brings together concepts and tools that can actually help couples heal for the long haul Diving beneath the symptoms most therapies focus on he helps couples develop a deeper understanding of the wounds that brought them together and how they show up in their relationships The 5 Practices gives the reader an opportunity to weed out and take responsibility for limiting or negative habits while allowing them to learn and adopt new and healthier practices with their partner These are not short term solutions but rather a path to profound healing deeper connection and stronger happier relationships Beyond Success Failure Willard Beecher, Marguerite Beecher, 1977-11-03 **The New Way to Compete** Harry A. What constituted the big difference for self-actualizing people was that their activity became a channel or medium for expressing the eternal ultimate values: the true, the good, the beautiful, the just. I had found men and women in everyday life who were embracing actually living these ultimate values. A. H.
