Beyond The Lectionary A Year Of Alternatives To The Revised Common Lectionary:

Beyond the Lectionary David Ackerman, 2013-06-28 Beyond the Lectionary gives preachers a new year of Biblical texts that are not found on Sundays or other mainline Protestant holy days in the three year cycle of the Revised Common Lectionary It provides readings from the Hebrew Bible Psalms Epistles New Testament and Gospels for each Sunday of the liturgical year along with several midweek observances The texts have been selected with an eye toward continuity progressing in order and complementarity textual completion or harmony and they are accompanied by commentaries and prayers Written in language that is accessible to both lay people and professionals Beyond the Lectionary has the potential to transform congregational culture by bringing more of the content of scripture to people s awareness [Introduction to Preaching](#) Leah D. Schade, Jerry L. Sumney, Emily Askew, 2023-02-03 Coauthored by a homiletician a theologian and a biblical scholar this book is a preaching primer that provides tools for crafting effective engaging and inspiring sermons Using a unique workbook style format Introduction to Preaching equips seminarians and preachers to use appropriate theological claims informed by solid biblical interpretation while providing several sample sermons from the authors Readers will learn how to use a three part schema the Central Question the Central Claim and the Central Purpose to provide the drive direction and destination for the sermon Offering guidelines for using appropriate sermon forms imagery metaphors and creativity together with advice on how to deliver contextually relevant sermons using our bodies presence and voice make this a staple for both new and experienced preachers Introduction to Preaching includes a chapter on exploring the space of preaching including onsite and online sermons In addition it features charts and worksheets to help organize the sermon writing process as well as exercises for the preacher s voice and body and tips for advice for guest preachers and supply preachers A glossary of terms and an extensive bibliography make this a handy reference guide for students and all preachers **From Words of Woe to Unbelievable News:** Robert D Cornwall, 2015-02-06 You ve been a lectionary preacher throughout your ministry You like the discipline of dealing with the scripture of the week rather than just grabbing something that is easy for you to handle You re willing to preach on the hard stuff But what about the rest of scripture those passages that never appear in the weekly readings from the Revised Common Lectionary Are you and your congregation missing something that could be of great benefit Dr David Ackerman who writes the introduction to From Words of Woe to Unbelievable News felt the need to cover more of scripture and proposed a fourth year lectionary that covered passages that are not included in the Revised Common Lectionary In turn Dr Bob Cornwall a pastor highly qualified for the task chose to use these texts in a series of sermons for Lent and Holy Week He preached those sermons in 2014 We now offer these sermons in this Topical Line Drives volume One of the stumbling blocks with new ideas is the question of how one gets started It s sometimes hard to find just the approach to take to a new set of texts and a new set of ideas Bob Cornwall leads the way finding timely and powerful applications of these difficult texts Besides being a resource for pastors these sermons

provide meditations that can be used as the basis for a Lenten study or for small groups UnCommon Preaching Susan Cartmell,2015-07-24 There is a spiritual hunger in the world today Many people are seeking answers to life s hard questions Many people come to church seeking inspiration help for personal problems or faith s perspective on life They come seeking things you cannot find in a search engine The church has exactly what they need but too often there is a gap between our message and our ability to send it Each week as people pause to learn about faith and get a word of hope a lot rides on the sermon Susan Cartmell took a journey across the country to visit churches with great preaching and lively worship What she discovered was that Evangelical Christians and Unitarian Universalists were using themed preaching effectively to attract new members Working in her church over the last five years she has designed a new system for preaching with themes in mainline Protestant churches She shares her method and her journey in a story that invites you to consider new ways to preach faithfully without using the lectionary *Surviving the Bible 2019* Christian Piatt,2018-09-01 Resuscitate your relationship with the Bible A lot of us have tried to read the Bible And we ve failed Christian Piatt has too But now using the annual lectionary as his guide he has put together a devotional that allows us to read through major parts of the Old and New Testaments and finally understand them in plain English Every week has several Scripture readings explanations of confusing terms a story a deeper dive into interesting themes and a closing prayer You can use it as a weekly study or browse a thematic list for something you re curious about It s an ideal resource to use with a friend or small group but it s set up to be accessed by anyone who has enough curiosity openness and desire to grow Start anywhere Set it down and come back to it There s no wrong way to use *Surviving the Bible* Engage ancient texts in new ways that make sense here and now maybe for the first time Any way you use it it s sure to challenge and inspire *A Women's Lectionary for the Whole Church Year B* Wilda C. Gafney,2023-07-18 In this project I propose at least two new lectionaries a year W a women s readings year that can be added to the current Episcopal or Revised Common RCL Lectionaries and a new three year cycle How would a lectionary centering women s stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching More simply what would it look like if women built a lectionary focusing on women s stories How is the story of God told when stories of women s brutalization and marginalization are moved from the margins of canon and lectionary and held in the center in tension with stories of savvy and strong women women whose contribution is not limited to or does not even include childbearing There are more than two billion Christians in the world according to the Pew Research Center demographic projections Pew Research Center s Forum on Religion and Public Life Global Religious Landscape December 2012 2 3 billion in 2015 With Roman Catholics making up an estimated 1 2 billion and accounting for Orthodox Christians Anglicans Episcopalians Methodists Presbyterians Lutherans and other Reformed traditions along with some Baptist and congregational churches that use a lectionary the overwhelming majority of Christians receive their scripture mediated through a lectionary Based on the numbers in the Pew Research Center s 12 May 2015 report America s

Changing Religious Landscape as much as sixty percent of American Christians attend services in churches that use lectionaries Those lectionaries are not simply as androcentric as are the scriptures but in my experience as a congregant and priest women are even less well represented than they are in the biblical text For example there are one hundred and eleven named women in the Hebrew Scriptures which is itself under represented in preaching lectionaries not accounting for the numbers of unnamed women and girls The lectionary is a catechetical tool All many congregants know of the bible is the texts they hear read from their respective lectionary As a biblical scholar it is my hope to see congregants exposed to the bible more broadly and deeply and see them equipped to engage the sacred texts of their tradition critically with nuance This book will be for use in liturgical contexts in parishes and the institutions of the Church in seminary classrooms particularly worship and liturgy and for individual devotional use A Women's Lectionary for the Whole Church Year C Wilda C. Gafney, 2024-07-02 The final installment in the critically acclaimed lectionary series that focuses on women's stories In this third volume of a three volume lectionary widely praised womanist bible scholar and priest Wilda Gafney selects scripture readings that emphasize women's stories Focusing especially on the Gospel of Luke Year C of A Women's Lectionary features Gafney's fresh inclusive and thought provoking translations of every reading alongside commentary on each reading Designed for liturgical use or scriptural study this resource offers a new perspective on the Bible and the liturgical year Gafney's paradigm shifting scholarship will influence biblical preaching and teaching for generations to come National Catholic Reporter *Prophets beyond Activism* Julia M. O'Brien, 2024-08-27 *Prophets beyond Activism* insightfully challenges the common progressive narrative that the prophets of ancient Israel were primarily concerned with social justice Instead it daringly offers more life giving ways of engaging the prophetic books for the causes of justice The assumption that the prophets of ancient Israel were primarily concerned with social justice so permeates the thinking and the discourse of progressive Christianity that it might be considered an interpretive orthodoxy For example progressives characterize prophets as those who speak truth to power and prophetic preaching as social critique Yet they often do so without explanation or consideration of alternative views In this volume Julia O'Brien challenges the notion that the prophets were solely concerned with the same issues as contemporary social justice movements Reading prophetic texts with an eye to their historical dimensions when they were written how they were edited complicates any definitive statement about the role of prophets in the past Reading alongside readers from diverse racial gender and other social locations in the present raises hard questions about whose justice these books actually promote Despite its self presentation as a scholarly and scientific viewpoint the prophets as social activists orthodoxy was constructed in a particular time and place and in its usage today perpetuates many of the problematic ideologies of its origins In response to these concerns O'Brien offers alternative readings of the prophets for the sake of justice Chapters explore the value of Amos and Micah for contemporary economic ethics the dynamics of inclusivity and exclusivity in Isaiah opportunities for reading Jeremiah as the voice of a community

rather than a solitary figure and the limits of Second Isaiah's creation theology for addressing the climate crisis This is a wide ranging volume interweaving careful readings of biblical texts within their literary and historical contexts the history of prophetic interpretation and attentiveness to feminist womanist and postcolonial voices including engagement with contemporary thought such as trauma theory and intersectional analysis of the climate crisis Prophets beyond Activism calls readers to a more honest and humbler activism speaking in their own voices about the demands and possibilities of justice

Daw, 2023-05-16 A planning guide for church musicians and clergy for selecting hymns songs and anthems for the three year liturgical cycle following the Revised Common Lectionary **Words to God, Word from God** Howard Neil Wallace, 2017-07-05 The psalms challenge and sustain us in a number of ways and in times of new challenges to the very fabric of the church to its faith and its values we need to re examine these ancient prayers and songs This book explores the place and function of the psalms in Christian prayer preaching and worship Examining the dual nature of the psalms as both words to God and word from God the author brings together the historical experience of the church biblical studies and theological reflection to focus on the application of the psalms in contemporary Christian life A number of individual psalms are explored in terms of what they have to say about prayer or what theological issues they raise for contemporary life This book encourages a reclamation of the psalms in the private and public prayers of the church and in the preaching of the word
