Beyond The Plain And Simple A Patchwork Of Amish Lives

JL Elias

Beyond The Plain And Simple A Patchwork Of Amish Lives:

Beyond the Plain and Simple Pauline Stevick, 2006 A series of vignettes describing Amish people and customs Pauline Stevick has visited more than 50 Amish homes in numerous Amish settlements across the country She has attended weddings viewings school sessions and programs family gatherings and more than a dozen church services She has ridden in Amish carriages and has even slept in Amish homes Through her close association with the Amish she has gained unique perspective and is able to provide keen insight into a culture that is misunderstood by many Beyond the Plain and Simple reminds readers that although the Amish dress in almost identical clothing they have distinct personalities and convictions In vignettes and reflections she reveals the ways in which members of the Amish community live out their faith against the background of their communal culture all the while emphasizing their individuality Topics range from Amish family values to women to a retirement community in Florida to an Amish intellectual Stevick's eloquent narration is descriptive rather than expository as she often draws comparisons between Amish society and mainstream society sometimes preferring the Amish ways and at other times questioning them Beyond the Plain and Simple portrays the Amish as dynamic people who experience struggles failures and successes not unique to their community

The Lives of Amish Women Karen M. Johnson-Weiner, 2020-09-15 Presenting a challenge to popular stereotypes this book is an intimate exploration of the religiously defined roles of Amish women and how these roles have changed over time Continuity and change tradition and dynamism shape the lives of Amish women and make their experiences both distinctive and diverse On the one hand a principled commitment to living Old Order lives purposely out of step with the cultural mainstream has provided Amish women with a good deal of constancy Even in relatively more progressive Amish communities women still engage in activities common to their counterparts in earlier times gardening homemaking and childrearing On the other hand these persistent themes of domestic labor and the responsibilities of motherhood have been affected by profound social economic and technological changes up through the twenty first century shaping Amish women's lives in different ways and resulting in increasingly varied experiences In *The Lives of Amish Women* Karen M Johnson Weiner draws on her thirty five years of fieldwork in Amish communities and her correspondence with Amish women to consider how the religiously defined roles of Amish women have changed as Amish churches have evolved Looking in particular at women's lives and activities at different ages and in different communities Johnson Weiner explores the relationship between changing patterns of social and economic interaction with mainstream society and women's family community and church roles What does it mean Johnson Weiner asks for an Amish woman to be humble when she is the owner of a business that serves people internationally Is a childless Amish woman or a single Amish woman still a Keeper at Home in the same way as a woman raising a family What does Gelassenheit giving oneself up to God's will mean in a subsistence level agrarian Amish community and is it at all comparable to what it means in a wealthy settlement where some members may be millionaires Illuminating the key role

Amish women play in maintaining the spiritual and economic health of their church communities this wide ranging book touches on a number of topics including early Anabaptist women and Amish pioneers to North America stages of life marriage and family events that bring women together women as breadwinners women who do not meet the Amish norm single women childless women widows and even what books Amish women are reading Aimed at anyone who is interested in the Amish experience *The Lives of Amish Women* will help readers understand better the costs and benefits of being an Amish woman in a modern world and will challenge the stereotypes myths and imaginative fictions about Amish women that have shaped how they are viewed by mainstream society *All About the Amish* Karen Johnson-Weiner,2021-03-02

Everything you want to know about the Amish but are afraid to ask Do the Amish pay taxes Are they Christians Why do they use horses and buggies but agree to ride in other people s cars And how can they even survive in the contemporary world In *All about the Amish* Amish expert Karen Johnson Weiner answers the most commonly asked questions people have about the Old Order Amish After more than thirty years of being friends with the Amish and studying their faith and culture Johnson Weiner offers authoritative answers to the most common questions about the unique Amish faith and lifestyle Got questions about Amish beliefs Families Churches Schools What they think about the rest of us Find answers here **Growing Up**

Amish Richard A. Stevick,2014-06-15 Accurately reveals the challenges faced by Amish youth caught between the expectations of traditional community and the pressures and temptations of adolescence On the surface it appears that little has changed for Amish youth in the past decade children learn to work hard early in life they complete school by age fourteen or fifteen and a year or two later they begin Rumspringa that brief period during which they are free to date and explore the outside world before choosing whether to embrace a lifetime of Amish faith and culture But the Internet and social media may be having a profound influence on significant numbers of the Youngie according to Richard A Stevick who says that Amish teenagers are now exposed to a world that did not exist for them only a few years ago Once hidden in physical mailboxes announcements of weekend parties are now posted on Facebook Today thousands of Youngie in large Amish settlements are dedicated smartphone and Internet users forcing them to navigate carefully between technology and religion Updated photographs throughout this edition of *Growing Up Amish* include a screenshot from an Amish teenager s Facebook page In the second edition of *Growing Up Amish* Stevick draws on decades of experience working with and studying Amish adolescents across the United States to produce this well rounded definitive and realistic view of contemporary Amish youth Besides discussing the impact of smartphones and social media usage he carefully examines work and leisure rites of passage the rise of supervised youth groups courtship rituals weddings and the remarkable Amish retention rate Finally Stevick contemplates the potential of electronic media to significantly alter traditional Amish practices culture and staying power **The Amish** Donald B. Kraybill,Karen M. Johnson-Weiner,Steven M. Nolt,2013-06 The Amish have always struggled with the modern world This title explores diversity and evolving identities within this distinctive

American ethnic community and its transformation and geographic expansion It provides an authoritative and sensitive understanding of Amish society *Growing Up in Religious Communities* Sheila Stewart, 2015-02-03 It can be tough to be different Children growing up in a religious community are separated from the rest of the world in some way or another either by what they wear their rituals what they are not allowed to eat or do or else by not mixing at all with those outside the community These families have many strengths and can give their children a strong emotional foundation on which to build their own lives but they also have their own set of challenges The families in this book have dealt with some of these challenges Whether or not these families children grow up and remain a part of the community their experiences will always be with them *The Amish Way* Donald B. Kraybill, Steven M. Nolt, David L. Weaver-Zercher, 2012-02-07 A sensitive and realistic look at the spiritual life and practices of the Amish This second book by the authors of the award winning *Amish Grace* sheds further light on the Amish this time on their faith spirituality and spiritual practices They interpret the distinctive practices of the Amish way of life and spirituality in their cultural context and explore their applicability for the wider world Using a holistic perspective the book tells the story of Amish religious experience in the words of the Amish themselves Due to their long standing friendships and relationships with Amish people this author team may be the only set of interpreters able to provide an outsider insider perspective Provides a behind the scenes examination of Amish spiritual life Shows how the Amish practices can be applied to the wider world Written by authors with unprecedented access to the Amish community Written in a lively and engaging style *The Amish Way* holds appeal for anyone who has wanted to know more about the inner workings of the Amish way of life **Serving the Amish** James A. Cates, 2014-10-15 The first comprehensive cultural guide for professionals who interact with Amish individuals and communities *Serving the Amish* is a targeted guide for professionals who care for or interact with Plain people doctors nurses law enforcement officers judges social workers psychotherapists and addiction counselors among others For these professionals knowing the what of Amish life is not enough They must go deeper understanding the why the ideologies that both drive and bind this community in a system of beliefs that seems alien to those who embrace the technological and social turbulence of the twenty first century James A Cates draws heavily on his experiences as a clinical psychologist in private practice in northeastern Indiana a region that is home to more than 35 000 Amish people He combines anecdotal evidence and first person narrative to shed light on the social emotional and psychological foundations of Amish life to help professionals interact competently and build rapport with Amish clients He also explains the unique challenges outsiders face in offering aid to a people whose lifestyle and rules dictate a distance from all things worldly This practical book balances evidence based principles of care with an emphasis on reducing anxiety and establishing warm relationships From the police officer dispersing a party full of Amish Youngie to the social worker staffing a child protective services hotline professionals who work with the Amish will benefit from this one of a kind guide *Dancing on the Devil's Playground* James A. Cates, 2024-07-30 This work demonstrates how the demands of

the modern world challenge the Amish to respond and in turn how the Amish negotiate these demands
