Beyond Positive Thinking Success And Motivation In The Scriptures:

Beyond Positive Thinking Jim Collins, 2012-07-20 Author and motivational speaker Jim Collins explains how God's Word can help you create the life you were designed to live by tapping into your God-given abilities. He emphasizes life application of the truths in Scripture to help readers reach his or hers full potential. **Beyond Positive Thinking** expounds on the Scriptures making them come alive so they are relatable to those living in the 21st Century. These principles will help readers achieve freedom from fear, anxiety, and negative thinking.

The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism, an approach to the Bible common among some American evangelicals, emphasizes together the Bible's exclusive authority, infallibility, clarity, self-sufficiency, internal consistency, self-evident meaning, and universal applicability. Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims. If evangelical biblicism worked as its proponents say it should, there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible. Far from challenging the inspiration and authority of Scripture, Smith critiques a particular rendering of it, encouraging evangelicals to seek a more responsible, coherent, and defensible approach to biblical authority. This important book has generated lively discussion and debate. The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked.

The Church's Response to Domestic Violence Dr. Char M. Newbold, 2024-06-13 Abuse is hiding in our churches. Our women and children are being wounded and even dying in their homes by those who have committed to love and protect them. Domestic violence is present in families you would never suspect, from the most respected to the least noticed, even the family sitting near you in church. Women are told God hates divorce, learn to submit, pray more, turn the other cheek, look at the plank in their own eye, first forgive 70 times 7. By giving such advice to women living in abusive relationships, well-intentioned church leaders are sending women and children back into dangerous, possibly deadly situations. In *The Church's Response to Domestic Violence*, a guide based on scriptural truth, church leaders will learn the complexities of the dynamics of domestic violence, who abuses and who is abused, the effects of violence in the home, the dangers of couples counseling, how to respond to disclosures of abuse, why she keeps going back, why she doesn't just leave. We need our clergy and church leaders to reject the false ideologies that put God's children at risk and equip the Church to be the clear voice of hope and healing for families.

Combat Faith Hal Lindsey, 1986-08-01 In his most important book to date, New York Times bestselling author Hal Lindsey shows us the way to the one kind of faith tough enough to meet the tough times ahead: combat faith. World events clearly indicate that our generation has been chosen to witness the prophetic last days of this age. During these troubled times, the Bible tells us ordinary faith will not be enough, and many will be lured from God's truth. Now more than ever, we must learn to break the faith barrier to overcome worry, anxiety, and fear and enter into a new dimension of peace and stability to claim the invincible inner peace that God has promised each of us, no matter the circumstances.
