Buddhism For Busy People Finding Happiness In An Uncertain World:

Buddhism for Busy People David Michie, 2017-05-16 In this simple and accessible but beautifully written book David Michie opens the door to the core teachings of Tibetan Buddhism and shows us how he himself first began incorporating Buddhist practices into his daily life What does it take to be happy We've all asked ourselves this question at some point but few of us have found the path to lasting fulfillment David Michie thought he had achieved his life's goals the high level job the expensive city apartment the luxury car the great vacations but a small voice was telling him he wasn't really happy A chance remark from a naturopath sent him to his local Buddhist center There he began the most important journey of his life In Buddhism for Busy People Michie explains how he came to understand the difference between the temporary pleasures of ordinary life and the profound sense of well-being and heartfelt serenity that comes from connecting with our inner nature

Buddhism for Busy People David Michie, 2007 The story of how a corporate communications consultant discovered Buddhism is woven through this bestselling simply written inspiring introduction to meditation practice and Buddhist philosophy

Dancing with the Darkness Michelle Allan-Ramsay, 2019-07-26 Dancing With The Darkness is a book about hope It is meant to create points of light in the darkness of postnatal depression We all arrive in the darkness via different routes and so our journey towards the light will be defined by our own needs This book aims to remind us that true healing is in our hands and requires our wisdom and instinct to get there Written in bursts of inspiration so as not to overwhelm the exhausted mind this book provides moments of rest and reminders to keep hoping

Meditation, Buddhism, and Science David McMahan, Erik Braun, 2017-09-20 The scientific study of Buddhist forms of meditation has surged in recent years capturing the popular imagination and reshaping conceptions of what meditation is and what it can do For perhaps the first time in history meditation has shifted from Buddhist monasteries and practice centers to some of the most prominent and powerful modern institutions in the world as well as non-institutional settings As their contexts change so do the practices sometimes drastically New ways of thinking about meditation are emerging as it moves toward more secular settings ways that profoundly affect millions of lives all over the world To understand these changes and their effects the essays in this volume explore the unaddressed complexities in the interrelations between Buddhist history and thought and the scientific study of meditation The contributors bring philosophical cultural historical and ethnographic perspectives to bear considering such issues as the philosophical presuppositions behind practice the secularization of meditation the values and goods assumed in clinical approaches and the sorts of subjects that take shape under the influence of these transformed and transformative practices all the more powerful for being so often formulated with the authority of scientific discourse

The Secret Mantra David Miche, 2020-12-22 In a remote Himalayan monastery Matt Lester has devoted five years of spiritual preparation for this moment it is his destiny to open an ancient sealed scroll containing prophetic wisdom the world urgently needs But when his time comes violent assailants steal the scroll Matt is caught up in a dangerous high stakes hunt to

recover it turning him from the pursuer to the pursued On the other side of the world the results of scientist Alice Weisenstein's mind/body healing research are about to be revealed Things take a sinister turn when her supervisor goes missing and she realizes she is being followed Guided by the lamas Matt's search for the scroll takes him to Alice The pair become caught between powerful influences and escalating threats Together they must decide who they can really trust The Secret Mantra weaves breakthrough science and spiritual insights into a heart-stopping storyline It won't just have you turning the pages It will shake up your whole idea of who you are and the transformation of which you are capable

Buddhism for Mothers of Young Children Sarah Napthali, 2010-10-19 A combination of personal narrative and stories gathered from mothers this guide shows how spiritual and mindful parenting can help all mothers Buddhists and non-Buddhists be more open attentive and content By guiding mothers on a spiritual path this evocation also helps them cultivate wisdom open heartedness and a better understanding of themselves and their children The Buddhist teachings and principles help answer questions that all mothers face especially those with young children Who are my children Who am I How can I do my best by my children and myself What to do about all that housework Written in a clear and engaging style this warm and simple meditation facilitates parenting with awareness purpose and love Global Books in Print *The Dalai Lama's Cat and the Power of Meow* David Michie, 2015-06-16 If you ever doubted that your feline companion has her own inner life just watch what happens when she falls asleep and loses conscious control of her physical being a twitching of limbs a quivering of the jaw sometimes perhaps a snuffling noise or a meow Cats may indeed be capable of great mindfulness but we are thinking beings too In my own case unfortunately a being who thinks rather too much In the latest installment of the Dalai Lama's Cat series His Holiness's Cat HHC is on a mission to think less to experience more to live in the moment She soon learns the proper phrase for this being mindful or a concept better known to her as the power of meow What ensues is a journey to discover her own true nature to gain a deeper understanding of her mind and to experience life's greatest joy the here and now Throughout there are encounters with familiar inhabitants of Dharamsala as well as a whole new cast of characters a senior exec from one of Silicon Valley's most famous social media companies hint the name rhymes with litter the Pope's beloved dog who shares a shockingly similar title HHD His Holiness's Dog and a public health inspector who threatens to have our poor narrator banned from the Himalaya Book Caf In this follow up to the Dalai Lama's Cat and the Art of Purring readers escape to the enchanting and exotic world of the Dalai Lama's monastery in the Himalayas and take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment By accompanying HHC on her journey you will learn new ways to relate to your own mind slowing down finding peace and abiding in the boundless radiance and benevolence that is your own true nature **The Dalai Lama's Cat and the Art of Purring** David Michie, 2013-11-28 What makes you purr Of all the questions in the world this is the most important Because no matter whether you are a playful kitten or sedentary senior whether you're a scrawny alley Tom or sleek coated uptown girl whatever your circumstances you

just want to be happy Not the kind of happy that comes and goes like a can of flaked tuna but an enduring happiness The deep down happiness that makes you purr from the heart His Holiness's cat is back older a bit wiser and as curious as ever In this book the Dalai Lama sets for his lovable feline companion the task of investigating The Art of Purring Whether it's the humorous insights gained from a visiting Ivy League Psychology Professor the extraordinary research of a world famous biologist or the life changing revelations of a mystical yogi His Holiness's Cat encounters a wealth of wisdom about happiness And what she discovers changes the way she sees herself forever With a much loved and growing cast of characters from the local community and His Holiness's residence as well as encounters with intriguing strangers and celebrities from far and wide The Dalai Lama's Cat and the Art of Purring will transport readers in another unforgettable story Along the way they will come to understand how elements of contemporary science and Buddhism converge And once again they will feel the warmth of compassion and nonattachment that radiate from the heart of the Dalai Lama's teachings about our quest for enduring happiness
