Leadership for Flourishing in Educational Contexts Benjamin Kutsyuruba, Sabre Cherkowski, Keith D. Walker, 2021-12-16. Featuring voices from academics, practitioners, school system leaders, school administrators, and graduate students from across Canada and abroad, this unique edited collection offers conceptual discussions and empirical examples of leadership for flourishing in a variety of educational contexts. This volume affirms that by fostering positive leadership, striving for well-being, and encouraging flourishing for all, significant benefits and new potentials will be felt throughout the learning communities. Grounded in theoretical approaches of positive leadership, positive psychology, and positive organizational scholarship, the accounts from K-12, post-secondary, and professional contexts explore the impacts and influences of leadership at all levels of education. Editors and chapter authors describe their research findings and first-hand experiences of supporting educators and school leaders in learning how to grow their agentic role for fostering well-being among all members of the community. The book is divided into three sections: stories of school-level flourishing, stories of personal/professional flourishing, and stories of the impacts and influences of positive leadership in various educational contexts. Engaging and practical, this book encourages readers to reflect on the topics through discussion questions and to apply the learning to their own educational and organizational settings. This positively oriented volume will be invaluable for students of educational leadership, education administration, and organizational studies in education in North America and beyond.

FEATURES: Chapters include pedagogical features such as concluding thoughts and discussion questions that bridge K-12 and higher education and reflect on education as a whole. Offers an approach to educational leadership that emphasizes the well-being of both educators and students. Features the voices of academics and school leaders from across Canada, the United States, the United Kingdom, and Australia.

The Celtic Oracle: Ancient Wisdom for Modern Leaders Pasquale De Marco. *The Celtic Oracle: Ancient Wisdom for Modern Leaders* is a profound and inspiring guide to leadership that draws upon the rich tapestry of Celtic lore and tradition. In this captivating book, readers will embark on a journey through the annals of Celtic history, exploring the lives and teachings of legendary leaders like Cormac mac Airt, the High King of Ireland, and Queen Medb of Connacht. Through their stories and the wisdom they impart,

readers will discover the essential qualities and practices that define a truly great leader one who is both effective and ethical inspiring and compassionate visionary and pragmatic The book delves into the heart of Celtic philosophy revealing the interconnectedness of all things and the importance of living in harmony with nature and community It explores the concept of imbas a Celtic term for the intuitive wisdom that arises from a deep connection to the natural world and to the ancestral wisdom of one's lineage By cultivating imbas leaders can access a wellspring of creativity inspiration and discernment that enables them to make wise decisions and navigate the complexities of leadership with grace and effectiveness The Celtic Oracle also emphasizes the significance of ethical leadership reminding readers that power and authority are not ends in themselves but rather tools to be wielded for the benefit of the greater good It draws upon the Celtic tradition of geasa or sacred obligations to illustrate how leaders are bound by a moral code that compels them to act with integrity justice and compassion By embracing these ethical principles leaders can inspire trust loyalty and a sense of shared purpose among their followers Throughout the book readers will encounter Celtic symbols myths and legends that illuminate the path of leadership These stories and symbols offer profound insights into the human condition and the challenges and opportunities that leaders face They remind us that leadership is not just about achieving success or wielding power but also about serving others fostering unity and leaving a lasting legacy of positive impact The Celtic Oracle is more than just a book it is a timeless guide to leadership that transcends time and culture Its wisdom speaks to the universal human desire for meaning purpose and fulfillment Whether you are a seasoned leader an aspiring manager or simply someone seeking to lead a more purposeful life this book will provide you with valuable insights inspiration and practical tools to navigate the challenges and opportunities of leadership with wisdom compassion and integrity If you like this book write a review [Decolonizing Religion and Peacebuilding](#) Atalia Omer, 2023 An investigation of what consolidating religion as a technology of peacebuilding and development does to people's accounts of their religious and cultural traditions and why interreligious peacebuilding entrenches colonial legacies in the present Throughout the global south local and international organizations are frequent participants in peacebuilding projects that focus on interreligious dialogue Yet as Atalia Omer argues in [Decolonizing Religion and Peacebuilding](#) the effects of their efforts are often perverse reinforcing neocolonial practices and disempowering local religious actors Based on empirical research of inter and intra religious peacebuilding practices in Kenya and the Philippines Omer identifies two paradoxical findings first religious peacebuilding practices are both empowering and depoliticizing and second more doing of religion does not necessarily denote deeper or more critical religious literacy Further she shows that these religious actors generate decolonial openings regardless of how closed or open their religious communities are Hence religion's occasional usefulness in peacebuilding does not necessarily mean justice oriented outcomes The book not only uses decolonial and intersectional prisms to expose the entrenched and ongoing colonial dynamics operative in religion and the practices of peacebuilding and development in the global South but it also

speaks to decolonial theory through stories of transformation and survival
