Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

It's with great excitement that I learned of your school nurse vacancy at [School Name]. With 5 years of expertise promoting health and safety at elementary schools, I believe my skills make me a perfect fit for your school.

My key skills include managing health complaints in children, identifying and addressing concerning behavior, and responding to medical emergencies. In particular, I'm passionate about early health interventions at the elementary school level. Working closely with counselors, I've been adept at screening and diagnosing physical and mental health issues in young children.

My exceptional organizational skills and love for efficiency are reflected in the following career highlights:

- Streamlined school health database to reduce time searching for medical history by 50%
- Conducted 2 seminars per week to educate students and staff on best hygiene practices
- Managed outside referrals for 30+ students, including coordinating with outside practitioners on long-term treatment plans

Consistently, I provide staff and students with a high standard of care. Parents and teachers know of my excellent ability to build rapport with students, and my firm but patient guidance. Along with this, I have extensive knowledge of safety protocols in schools and can offer urgent care with a calm attitude.

My resume is attached for your perusal, and you can reach me at your.email@gmail.com or (412) 343-4567. I'm excited to work with you to build a safer learning environment for your students.
