**Trust Again** Debi Silber, 2020-10-04 Recovering from betrayal can be hard but it can be done with grace love and dignity using the tips and tools in this warm and engaging book on learning to trust again You couldn't brace yourself because you never saw it coming Your sense of safety and security is shattered in an instant and the shock is imprinted on your body and mind Your heart breaks you feel like you got sucker punched and the pain is so raw consuming and overwhelming you can barely breathe Someone close to you possibly a family member partner or friend just pulled the rug out from underneath you lies you so easily believed and actions you dismissed because it never crossed your mind that the one you trusted the most could ever hurt you You thought this person had your back You thought the two of you were honoring the same rules sharing the same moral code and respecting the same beliefs This was a person you loved trusted and believed This is what it feels like to be blindsided by betrayal During times of betrayal when we most need support sometimes the ones we would turn to first are the betrayers Other times we're saddled with shame and fear But it's during these times when we need to turn for help and learn to trust again This work offers support comfort and community to those struggling with feelings associated with betrayal and guides them to healing from a painful experience with betrayal Readers will learn about and move through the proven five stages from betrayal to breakthrough and will be lovingly guided with tools and strategies along the way They'll also learn how predictable healing can be as they read not only Debi's journey through betrayal but the stories of others who have learned to copy heal and move on from betrayal to a place of trust and well being Readers will identify with at least a few of the many people in the book who share their unique experiences In addition they'll learn about the three groups who didn't heal and be inspired to take a different course of action so that they can have a more positive outcome

**Beyond Betrayal** Phil Waldrep, 2020-02-11 Responding Right When You've Been Wronged We all know what it's like to be lied to cheated tricked or swindled Whether you want revenge or to protect yourself from future harm Phil Waldrep understands your pain Waldrep had no idea of the steep journey that lay ahead of him when two men walked into his office and revealed an unfolding story of a friend turned colleague who was living what amounted to a second life For years following Waldrep sought to heal the wounds of this broken relationship and confront the pain he felt in the aftermath of this betrayal Along the way he discovered God's solutions to overcoming resentment In Beyond Betrayal you'll learn about the biblical principles and practical tools that can help you identify betrayers in your life and name the pain you feel rediscover God as the healer of your wounds avoid bitterness and express your anger in healthy ways learn to remain open to trusting others again as you build new relationships choose forgiveness and develop strategies to prevent future betrayal Whether you've been hurt by a family member friend colleague or trusted leader you are not alone Even Jesus was betrayed You don't have to let past hurts limit your future relationships you can move beyond betrayal
