Millennial Whisperer Chris Tuff, 2019-02-12 Written by a leader for leaders The Millennial Whisperer shares proven profit driven strategies for leading millennials in the workforce The Millennial generation is the largest most diverse generation in the history of the United States They will make up 75 percent of the workforce by 2030 Unfortunately Millennials made a poor first impression in the business world developing the reputation of being lazy entitled selfish and disloyal The truth is Millennials are no lazier or more entitled selfish or disloyal than any previous generation they just grew up with different experiences than older generations and are motivated by different things In The Millennial Whisperer Chris Tuff puts into

context the ways Millennials differ from previous generations and shares practical steps companies and leaders can take to immediately boost productivity without building an office full of ping pong tables beer kegs and participation trophies Chris provides practical ways for leaders to build a corporate culture in which Millennials can thrive establish effective rewards systems at lower cost address disciplinary methods effectively and more Get ready to turn your conference room back into a conference room bring the beer kegs home for your next birthday bash and put the participation trophies in the trash where they belong

Visionary Leadership Stephen R. Mason, 2019-02-26 Visionary Leadership By Stephen Mason Can anyone become a Visionary Leader This question laid out at the onset of the book is answered with a resounding Yes throughout its chapters Stephen R Mason was inspired to shares his reflections on his long career as an executive in the healthcare industry Simply put Mason is motivated by the thought that sharing his journey and the insights he has learned along the way might be of service to others That journey shows up as a series of refreshingly personal analogies and anecdotes organized around a set of guiding principles called The Success Formula While leaving plenty of room for individual interpretation The Success Formula offers time tested and well vetted recommendations for making the most ambitious vision a reality Mason incorporates interesting examples from his own career in healthcare to illustrate how any organization including those in fields not known for their swift adaptation and market repositioning can learn to innovate and think beyond the status quo Once you know that becoming a Visionary Leader is possible the inevitable follow up question is How The author answers this question in the section of the book that precedes The Success Formula Prepare for the Journey One of the primary ideas of the book is that visionary leadership comes from within not from without A Visionary Leader must be willing to wrestle with his or her thoughts emotions and deeply held beliefs to find the confidence to stand up in front of an entire organization and say Follow me Visionary Leadership Learning to Lead from the Inside Out explains these concepts in a way that is straightforward in both comprehension and application without shying away from bigger themes of meaning purpose and spirituality Readers will find this book inspirational and instructional a roadmap for exploring the path of their own careers
