Between Two Harbors Reflections Of A Catalina Island Harbormaster:

Between Two Harbors Doug Oudin, 2013-08-30 Catalina Island the name conjures images of a pristine tropical island Located twenty six miles off the coast of Southern California Catalina Island is known as the island of romance for good reason A popular destination for boaters fishermen and tourists its a recreational mecca at sea a place where people come to escape from the reality of urban life Boasting 86 000 square miles of unspoiled and undeveloped natural beauty Catalina is an island paradise with wild animals surrounded by an ocean teeming with fish For thirty two years Charles Douglas Doug Oudin lived a fantasy life on this secluded oasis As the former harbormaster he saw it all harrowing storms dramatic ocean rescues traumatic accidents and the tragic death of actress Natalie Wood Encounters with sharks buffalo wild boar and even a sea serpent are just a few of the strange and unique experiences he had while living on the island Now in this memoir he shares his story For those who know and love Catalina and those who have always wanted to visit *Between Two Harbors* reveals a glimpse of what life on the island is really like

Five Weeks to Jamaica Doug Oudin, 2015-04-02 Who in this wide and wonderful world has not wanted to say Screw this and venture off to some exotic tropical destination Some years ago four young adventurers from Southern California did just that and this is their story Convinced that they were buying passage aboard a luxury cruise ship bound for Jamaica Kurt Decker his girlfriend Madison his brother Larry and their friend Marcos had high expectations Those expectations were dashed the minute they saw the decidedly luxury impaired motor vessel Explorer in Ensenada Mexico Despite numerous red flags they boarded and the bizarre odyssey that would forever change their lives began The odd and eclectic group of passengers with whom they shared the dubious comforts of the stately ship of fools became family Their 5 780 nautical mile journey took them along the coast of Mexico and Central America through the Panama Canal and across the Gulf of Mexico to Jamaica The voyage inspired no shortage of laughter tears joy and romance or drama excitement and danger along the way too But once in Jamaica a new twist to the adventure developed They agreed to set sail with a salty Englishman aboard a steel hulled sailboat bound for Florida where a vicious tropical storm en route threatened their very lives For those who love the sea and for those who merely wonder about it *Five Weeks to Jamaica* is a window into the capriciousness of the ocean and the tumultuous vagaries of human nature
