## **Beyond East And West Problems In Liturgical Understanding:**

**Beyond East and West** Robert F. Taft, 1997 *The Encycloedia of Christianity, Vol. 5* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth [The Oxford History of Christian Worship](#) Geoffrey Wainwright, 2006 The Oxford History of Christian Worship is a comprehensive and authoritative history lavishly illustrated of the origins and development of Christian worship up to the present day Following contemporary methods in scholarship it attends to social and cultural contexts and examines the worship traditions from both Eastern and Western Christianity ancient and modern It offers a chronological account while encompassing spatial and confessional variations from Baptists in Britain to Roman Catholics in Mexico from Orthodox in Ethiopia to Pentecostals in the United States from Lutheran and Reformed in Europe to united churches in India and Australia The material details of Christian worship such as music architecture and the visual arts are considered within specific cultural contexts throughout the volume as well as studied thematically in individual chapters **BOOK JACKET** **The Oxford Handbook of Early Christian Studies** Susan Ashbrook Harvey, David G. Hunter, 2008-09-04 Provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in Western and Eastern late antiquity from publisher description *From Page to Proclamation* Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer s philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshipping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration **Liturgy and Byzantinization in Jerusalem** Daniel Galadza, 2018 This book examines the way Christians in Jerusalem prayed and how their prayer changed in the face of foreign invasions and the destruction of their places of worship **Performing Orthodox Ritual in Byzantium** Andrew Walker White, 2015-10-08 In this groundbreaking interdisciplinary study Andrew Walker White explores the origins of Byzantine ritual the rites of the early Greek Orthodox Church and its unique relationship with traditional theatre Tracing the

secularization of pagan theatre the rise of rhetoric as an alternative to acting as well as the transmission of ancient methods of musical composition into the Byzantine era White demonstrates how Christian ritual was in effect a post theatrical performing art created by intellectuals who were fully aware of traditional theatre but who endeavoured to avoid it The book explores how Orthodox rites avoid the aesthetic appreciation associated with secular art and conducts an in depth study and reconstruction of the late Byzantine Service of the Furnace Often treated as a liturgical drama White translates and delineates the features of five extant versions to show how and why it generated widely diverse audience reactions in both medieval times and our own

*Religious Celebrations* Bloomsbury Publishing,2011-09-13 This two volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe *Religious Celebrations* is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the world s major religious communities as well as many of the minor faith traditions The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries providing information on numerous celebratory activities never before covered in a reference work Offering the most comprehensive coverage of religious holidays ever assembled this two volume book covers festivals commemorations holidays and annual religious gatherings all over the world with special attention paid to the celebrations in larger countries Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event be it fasting or feasting frenzied activity or the universal cessation of work a huge gathering of the faithful en masse or a small family centered event The work spotlights celebrations that currently exist without overlooking now abandoned celebrations that still impact the modern world

*The Oxford Handbook of Early Christian Biblical Interpretation* Paul M. Blowers,Peter W Martens,2019-05-21 The Bible was the essence of virtually every aspect of the life of the early churches The Oxford Handbook of Early Christian Biblical Interpretation explores a wide array of themes related to the reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated and invested with authority and the very conceptualization of sacred Scripture as God s word for the church Part Two looks at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and foreground of early Christian interpretation where the Bible was paramount in shaping normative Christian identity Part Five assesses the determinative role of the Bible in major developments and theological controversies in the life of the churches Part Six returns to interpretation proper and samples how certain abiding motifs from within scriptural revelation were treated by major Christian expositors The overall history of biblical interpretation has itself now become the subject of a growing scholarship and the final part skilfully examines how early Christian exegesis was retrieved and critically evaluated in later

periods of church history Taken together the chapters provide nuanced paths of introduction for students and scholars from a wide spectrum of academic fields including classics biblical studies the general history of interpretation the social and cultural history of late ancient and early medieval Christianity historical theology and systematic and contextual theology Readers will be oriented to the major resources for and issues in the critical study of early Christian biblical interpretation
