Beyond Flesh And Blood The Ultimate Guide To Angels And Demons:

Taboo Topics In The Bible: Aliens & UFOs Dante Fortson, Did you know that the Bible teaches that there are other beings in the universe besides humans With the recent popularity of shows like Ancient Aliens it is important that Bible believers understand what the Bible has to say about aliens UFOs and the like Many Bible believers instantly reject any discussion of aliens which causes people to turn to secular sources for answers This study answers many of the hard questions believers have but may be afraid to ask Did you know that flying vehicles are mentioned in the Bible Did you know that aliens angels and the gods of mythology have quite a bit in common Did you know that the Bible speaks of something mingling with the seed of men in the last days It is important that we understand the above because the verses are real and the questions aren't going away any time soon If you aren't armed with solid answers now you will be by the time you're done

Beyond Flesh and Blood Minister Dante Fortson, 2012-01 Beyond Flesh and Blood The Ultimate Guide To Angels and Demons goes far beyond the average Sunday School teaching on spiritual warfare Minister Fortson takes an in depth look at the origin of both angels and demons and attempts to answer the tough questions on the minds of many Christians 1 When were angels created 2 When did Lucifer rebel against God 3 Where do angels fit into human history 4 Are fallen angels and demons the same thing 5 Were the gods of mythology really fallen angels 6 What do angels have to do with modern UFO sightings 7 Is our current scientific pursuit of transhumanism a spiritual issue These questions are just the beginning of the journey As the book progresses Minister Fortson tackles many other areas of the supernatural such as the origin of ghosts vampires and our modern obsession with UFOs and aliens You will also discover what our modern pursuit of creating hybrids has in common with various ancient mythologies from around the world and the possible origin of these pursuits Throughout the book Minister Fortson explores historical text from many different cultures and belief systems in order to find out if the Hebrews were the only culture to encounter both angels and demons The Bible tells us that our war is not with flesh and blood but what does that statement really mean Is the spiritual war crossing over into the physical realm One thing is for sure after you read this book you will never look at the world we live in the same again
