Beyond Greens And Cornbread Reflections On African American Christian Identity:

Beyond Greens and Cornbread Diane Givens Moffett, 2001 In a voice of prophetic inspiration *Beyond Greens Cornbread* communicates the messages of African American hopes and dreams virtues and vices calling Christians of every culture to move beyond challenges and traditions into a vision of hope and expectancy for the future **Urban Apologetics** Christopher W. Brooks, 2014-04-29 Much of the New Testament was written in urban settings in which the Christian communities had to deal head on with issues such as race equality justice sexuality money and economics But much of today's apologetics engagement with the questions that people are asking about Christianity come from suburban churches and academic studies Urban believers those who live and minister in America's inner cities often face unique issues not often addressed by the larger Christian community These questions aren't neat or easy to answer but need to be addressed by applying biblical truth in the culture and challenges of urban life Author Chris Brooks has ministered for years in the urban environment as well as received extensive theological training In *Urban Apologetics* he seeks to connect the riches of the Christian apologetic tradition with the issues facing cities such as poverty violence and broken families He brings an urban rhythm and sensitivity to the task of demonstrating the relevance of faith and the healing truth that Christ provides
