The Mindfulness Survival Kit Thich Nhat Hanh,2013-10-31 Join Zen Master Thich Nhat Hanh as he explores 5 essential mindfulness practices that offer a blueprint for healthy compassionate living no matter your spiritual path or background The Five Mindfulness Trainings also referred to as Precepts not to kill steal commit adultery lie or take intoxicants are the basic statement of ethics and morality in Buddhism Zen Master and peace activist Thich Nhat Hanh argues eloquently for their applicability in our daily lives and on a global scale Nhat Hanh discusses the value and meaning of each precept offering insights into the role that it could play in our changing society Thich Nhat Hanh calls the trainings a diet for a mindful society With this book he offers a Buddhist contribution to the current thinking on how we can come together to define secular moral guidelines that will allow us to explore and sustain a sane compassionate and healthy way of living The Five Mindfulness Trainings offer a path to restoring meaning and value in our world whether called virtues ethics moral conduct or precepts they are guidelines for living without bringing harm to others **Peace Love Yoga** Andrea R. Jain,2020-07-28 Engaging

with the growing popular and academic interest in the spiritual but not religious Andrea R Jain explores the connections between the practices of global spirituality and aspects of neoliberal capitalism in Peace Love Yoga Personal growth self care and transformation are all tropes in the narrative of the spiritual identity Jain is concerned with This spirituality is usually depicted as firmly countercultural the term alternative alternative health alternative medicine alternative spiritualities is omnipresent To the contrary Jain argues spiritual commodities entrepreneurs and consumers are quite mainstream and sometimes even conservative and nationalistic Ranging from the transnational to the economic to the activist Jain refuses the single narrative focus of most works on the SBNR human phenomena that can be analyzed through a single lens or narrative are few and far between and existing research in this area too often yields a suspiciously tidy story The heart of the book includes sophisticated analyses of two politically divergent but equally entrepreneurial and global capitalist yoga gurus athleisure apparel corporations such as lululemon that successfully market consumer goods as a purchased commitment to social justice and therapeutically focused applications of spirituality that concentrate on healing the broken person rather than undermining the system that broke that person in the first place Many spiritual commodities corporations and entrepreneurs Jain suggests do actually acknowledge the problems of neoliberal capitalism and in fact subvert them but they subvert them through mere gestures From provocative taglines printed across t shirts or packaging to calls for conscious capitalism commodification serves as a strategy through which subversion itself is colonized The Art of Mindful
