Barlaam and Josaphat Gui de Cambrai, 2014-02-25 A new translation of the most popular Christian tale of the Middle Ages which springs from the story of the Buddha When his astrologers foretell that his son Josaphat will convert to Christianity the pagan King Avenir confines him to a palace allowing him to know only the pleasures of the world

and to see no illness death or poverty Despite the king s precautions the hermit Barlaam comes to Josaphat and begins to teach the prince Christian beliefs through parables Josaphat converts to Christianity angering his father who tries to win his son back to his religion before he too converts After his father s death Josaphat renounces the world and lives as a hermit in the wilderness with his teacher Barlaam Long attributed to the eighth century monk and scholar St John of Damascus Barlaam and Josaphat was translated into numerous languages around the world Philologists eventually traced the name Josaphat as a derivation from the Sanskrit bodhisattva the Buddhist term for the future Buddha highlighting this text as essential source reading for connections between several of the world s most popular religions The first version to appear in modern English Peggy McCracken s highly readable translation reintroduces a classic tale and makes it accessible once again For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Manuscript Philology of Dunhuang Yongquan Zhang,2024-10-05 This book explores first hand Dunhuang manuscripts from a period of over 700 years from 220 to 960 and as such makes a major contribution to passing on and promoting ancient Chinese culture Perfectly combining four ingredients an accessible writing style a comprehensive set of typical examples and pictures sound field research and culturally stimulating approaches and authentically archaeological and philological results this thorough and engaging book appeals to all the readers undertaking Dunhuang studies **Variants and Variance in Classical Textual Cultures** Glenn W. Most,2024-08-19 Given the limited durability of most textual supports texts must be reproduced if they are to survive And given the proliferation over time of users practices and places which need to have access to the texts that are important for cultural institutions this is particularly true for authoritative texts But the reproduction of texts by traditional means either orally or by hand inevitably produces variations These variations can arise because of inattention confusion misunderstanding deliberate modification physical damage and many other factors In general the more a text is reproduced the more variations are likely to occur But although the fact of textual variation in general is doubtless an anthropological universal the specific forms it takes and the specific attitudes to its occurrence seem to vary widely from culture to culture How variations develop in different cultures on the basis of which forms of scholarly practices collaborations and institutional frameworks what variants say about a culture s understandings of text authorship and collective authorship what happens when variants become creative and generate their own strands of tradition to what degree changes in transmission media and processes of distribution translations or the migration of texts into different cultural or institutional contexts can influence or be influenced by the development of variants these are the questions that this book addresses in a historical and culturally comparative perspective **The Records of Mazu and the Making of**

Classical Chan Literature Mario Poceski, 2015 *The Records of Mazu and the Making of Classical Chan Literature* explores the historical growth and transformation of Chan Zen Buddhist literature in medieval China focusing especially on the earliest records of Mazu Daoyi 709-788. It presents important primary materials about classical Chan Buddhism, some of them translated for the first time into English. *Discovery of the Exact Site of Aśoka's Classic Capital of Pāṭaliputra, the Palibothra of the Greeks and Description of the Superficial Remains* Waddell, 1892
