Relational Discipleship Brian Craig Durey, 2017-03-28 God is waiting for each of us to

return home In fact God is already out in the world searching and inviting each person to take the journey back to God's house Relational Discipleship Moving Back Home with God approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship In this approach the metaphor of a house is used to describe our journey back to God Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step Other modes of discipleship are solely focused on transformation of the disciple Here in this model the transformation of the discipler must occur first Then the discipler can be a warm host helping other travelers on the path to God's house Join in the journey today and see how Relational Discipleship offers the call to move back home with God

Activate Nelson Searcy, Kerrick Thomas, Jennifer Dykes Henson, 2018-03-06 Church leaders want to know how to make their small groups work Drawing from the startling success of small groups at The Journey Church Nelson Searcy and Kerrick Thomas debunk the myths set the record straight and show how church leaders can implement a healthy small group ministry that gets the maximum number of people involved and solves many of the important problems facing churches of all sizes These practical strategies will produce life changing results

Where Two Or Three Are Gathered Daniel L. Prechtel, 2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats

Awake and Arise the Dying of the American Church Dr. Stan Mars, 2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don't make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God's church God's way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey

People of the Book T. Michael W. Halcomb, Timothy C. McNinch, 2012-05-03 We live in an era when the Bible appears to be less and less relevant to mainstream cultures Those who do care about the Scriptures tend to derive their interpretations secondhand from the preacher's pulpit or from generalized study guides written by complete strangers These

approaches overlook the communal and conversational nature of the Bible itself If we hope to recover the transformative power of these ancient texts and invite our world to reconsider their significance we will need to engage whole communities together in the bottom up task of interpretation People of the Book was written to offer an organic holistic approach to communal interpretation an approach that can work for your community and appeal to your wider culture Halcomb and McNinch envision the Bible as a conversation we are privileged to enter listening questioning wrestling reasoning and responding together as authentic people of the Book *Reflective Practice Groups for Clergy* Peter Madsen Gubi,2020-09-28 This book brings together research into and experience of the practicalities benefits limitations and ways of thinking theologically and pedagogically about Reflective Practice Groups for Clergy and advocates this as providing opportunity for enhancing well being theological development pastoral supervision and spiritual formation in community
