Building Socialism in Cuba

# Building Socialism In Cuba Our Power Is That Of The Working People

**Fidel Castro**

## **Building Socialism In Cuba Our Power Is That Of The Working People:**

Our Power is that of the Working People Fidel Castro, 1983 Speeches spanning more than two decades trace the fight of the revolutionary vanguard to deepen the proletarian course of the Cuban revolution *Castro's Cuba, Cuba's Fidel* Lee Lockwood, 2003-06-30 Mr Lockwood's exciting book holds many surprises for the reader who has seen the Cuban reality up to now only through the distorting prism of propaganda During Mr Lockwood's latest 14 week visit to Cuba in 1965 he had a seven day marathon conversation with Fidel the transcription of which with excellent photographs constitutes the heart of the book A first rate psychological document this book is also an historical one in that it contains information necessary to the understanding of several conversational questions such as the priority given agriculture in the development of the Cuban economy the dissension between Moscow and Havana or even the intellectual road by which Castro came to Marxism Moreover it provides particulars up to now unknown Claude Julien The New York Times Book Review Lockwood gives us crowds posters individual studies Fidel in every possible mood the cities farms country towns most of Cuba is in the photographs Lockwood's text consists mainly of excerpts from several interviews he got from Fidel in 1965 In one way or another Fidel touches on all the events of crucial importance from the beginning of the insurrection until 1965 and the interviews thus become an explanation of the revolution that we badly need Jose Yglesias The New Republic The author's questions to Fidel are tough and penetrating and they elicited the same kind of answers The lively record deserves and encourages serious study K G Jackson Harper's Magazine Given the paucity of scholarly work on contemporary Cuba and the difficulty of visiting the island the photographs interview materials and interpretations of this gifted journalist must go high on the reading list of anyone professional or lay person who maintains a serious interest in Cuban affairs and in that most dramatic and important of twentieth century Latin American leaders Fidel Castro Richard Fagan Hispanic American Historical Review **Homosexuality and Invisibility in Revolutionary Cuba** María Encarnación Martín López, 2015 Offers alternative insights into the complex relationship between politics and intelligentsia in revolutionary Cuba The State, Bureaucracy, And The Cuban Schools Sheryl L. Lutjens, 2019-05-29 In the mid 1980s Cuba began a process of rectificación a reform process that has bucked the trends of economic and political liberalization that are reshaping the global order Sustaining an official commitment to socialism in the face of economic crisis and international pressures Cuba's survival seems puzzling indeed Sheryl Lutjens uses the C **Fidel Castro Speeches** Fidel Castro, 1983 Revolutions in Cuba and Venezuela Silvia Pedraza, Carlos A. Romero, 2023-03-28 This book compares the sociopolitical processes behind two major revolutions Cuba in 1959 when Fidel Castro came to power and Venezuela in 1999 when Hugo Chávez won the presidential election *From Welcomed Exiles to Illegal Immigrants* Felix Roberto Masud-Piloto, 1996 Cuban migration to the United States has altered the face of American politics and demographics From Welcomed Exiles to Illegal Immigrants the only scholarly study available of this Cuban migration analyzes its political dynamics and unique character In this revised

and expanded edition of his 1988 book *With Open Arms* Masud Piloto here extends the discussion with an examination of the Bush and Clinton administrations responses to recent events in Cuba Masud Piloto an expert on Cuban and Caribbean migrations and a Cuban emigre himself draws on previously unavailable documents as well as his first hand experience to describe American attempts to destabilize the Castro government by draining Cuba of vitally needed teachers physicians and technicians and to embarrass the revolution by exposing the flight of Cuba s citizens to a free country Masud Piloto s examination of the Haitian and Central American refugee crises of the past two decades provides a useful comparative perspective

**Book Jacket**      Fidel Castro's Childhood Steven Walker, 2012-05-17 Fidel Castro is something of an enigma For 50 years he has defied all America s attempts to topple him and Cuba s government He continues to occupy a special place in Cuba s collective consciousness and over his unique version of a socialist society in Latin America but what shaped him into the person he is today The saying goes to understand the man you must first understand the child and no other book has concentrated exclusively on Fidel Castro s childhood and on his formative experiences *Fidel Castro s Childhood The Untold Story* examines those crucial early years that together with external circumstances and family relationships made Castro the man he is Steven Walker has used all the available evidence including the testimony of close friends to assemble the facts to analyse interpret and draw conclusions using his extensive knowledge of politics psychotherapy and child development *Fidel Castro s Childhood The Untold Story* offers an opportunity to gain new insight into the life of Castro Love or loathe him you cannot ignore him Castro is one of the iconic political figures of the 20th century and a towering character in the pantheon of revolutionary leaders *Fidel Castro s Childhood The Untold Story* throws light into the dark corners and shadowy recesses of the early life of this exceptional enigmatic character Che Guevara might receive more international attention in the story of Cuba s history but it is Castro who has remained enticingly enigmatic until now      **The State, Bureaucracy, and Politics** Sheryl Lutjens, 1987      *The Theory and Practice of Communism in 1972: Venceremos Brigade* United States. Congress. House. Committee on Internal Security, 1973
