Creating a Tipping Point: Strategic Human Resources in Higher Education Alvin Evans, Edna Chun, 2012-04-27 In a turbulent unstable era of severe financial pressures the development of strategic human resource HR practices has become an urgent mandate in higher education With significant and widespread institutional shifts resulting from globalization heightened competition and rapid innovation educational leaders must optimize their most significant resource human capital and align HR strategies structures and processes with organizational goals Due to substantial cuts in state appropriations and rapidly diminishing budgets public

institutions of higher education in particular are struggling to realign resources and programs to fulfill their educational missions and maintain academic quality while simultaneously responding to complex external legislative and accreditation mandates In light of these challenges Creating a Tipping Point Strategic Human Resources in Higher Education breaks new ground by presenting a research based approach that supports the evolution of HR practices from siloed transactional models to strategic operations that serve the entire university This monograph provides a concrete progressive road map to developing organizational capabilities in support of the university s academic mission and illustrates this pathway with examples drawn from public research universities It offers strategies tools metrics and action steps that support the development of an effective and efficient strategic HR operation in higher education For institutions seeking to implement strategic HR this book is a practical and invaluable resource

Unequal Higher Education Barrett J. Taylor, Brendan Cantwell, 2019-05-03 American higher education is often understood as a vehicle for social advancement However the institutions at which students enroll differ widely from one another Some enjoy tremendous endowment savings and or collect resources via research which then offsets the funds that students contribute Other institutions rely heavily on student tuition payments These schools may struggle to remain solvent and their students often bear the lion s share of educational costs Unequal Higher Education identifies and explains the sources of stratification that differentiate colleges and universities in the United States Barrett J Taylor and Brendan Cantwell use quantitative analysis to map the contours of this system They then explain the mechanisms that sustain it and illustrate the ways in which rising institutional inequality has limited individual opportunity especially for students of color and low income individuals
