Ferdinand Kramer, Julian Bindi, 2015 Ferdinand Kramer 1898 1985 was an acclaimed German modernist furniture designer and architect This book is dedicated to his architectural and design work for university buildings including his commissions by sociologists Max Horkheimer and Theodor Adorno for the legendary Institute for Social Research in Frankfurt

Contemporary Architects Ann Lee Morgan, Colin Naylor, 1987 To strengthen the contemporary focus of this volume we have added about forty architects and have deleted some whose activity ceased before World War II In making these decisions we have been assisted by an Advisory Board As in the first volume we have continued to define the word architect very broadly so as to include planners theorists structural engineers and landscape architects whose work seems to be central to the enterprise of creating habitable spaces in our day Editor s note
