Adobe Acrobat XI Classroom in a Book Lisa Fridsma, Brie Gyncild, Adobe Creative Team, 2012-11-26 Adobe Acrobat XI Classroom in a Book is the most thorough and comprehensive way for creative professionals and business users to learn how to reliably create, edit, and sign PDF documents and forms with Adobe Acrobat XI. Each chapter in this step-by-step project-based guide contains a project that builds on your growing knowledge of the program while end-of-chapter review questions reinforce each lesson. This cross-platform Mac and Windows book shows you how to collaborate effectively through electronic reviews, easily share your work across multiple platforms and devices, and speed up your production and business task workflow with Acrobat XI. In this new version, you'll learn how to use an integrated Acrobat toolbar for popular Microsoft and browser apps so you can easily convert files to PDF and then learn how to directly edit text and images in your PDFs. You'll also learn how to build PDF or web forms with the new built-in Adobe FormsCentral desktop app. We'll show you how to speed up your business workflow by gathering feedback and approval via online document reviews. And you'll learn how to create interactive forms and track responses within Acrobat, how to add signatures and security to your PDF files, and much more.

True Colors Gry Garness, 2014-01-26 This interactive e-book is named True Colors because it describes what we aim for when we try to produce an image without randomly changing its colours in print or on the internet. It centres on how to make the workflow of shooting, processing, manipulation, reproduction to be as predictable and optimal as possible. The human factor is central to the book. Most mistakes in the colour workflow are made through bad or lacking communication, and there's a chapter on Communicating Color, not only about human speech but on how colour translates and communicates digitally to analogue output. It covers print, ink, paper, light viewing, and the many factors within Colour Management that are non-digital.
