The Complete Idiot's Guide to Economic Indicators R. Rogers, 2009-10-06 An expert helps readers understand what the big economic picture means for their money and how to respond Today's investors must play an active role in managing their money This guide introduces the leading U S economic indicators and shows how to use them to make better investment decisions Indicators covered include national output employment consumer reports housing and

construction and inflation The recession the days of putting money in an index fund and forgetting about it are over Most books on economic indicators are too academic aimed at professionals and written before the financial crisis Author with over 25 years of tracking the economy Monthly Catalogue, United States Public Documents ,1993 **Taxpayer's Comprehensive Guide to LLCs and S Corps** Jason Watson,2014-09-03 How can I avoid self employment taxes This simple question was the inspiration for creating an article describing the benefits of an S Corporation That original article which was about four pages long quickly became a series of KnowledgeBase articles on the Watson CPA Group website The articles touched on basic topics such as how to elect S Corp status payroll reasonable salary determination retirement planning health care fringe benefits and liability protection Those broad topics demanded much more information both horizontally by spanning into more related issues and vertically by digging deeper into the granular yet riveting levels of the tax code The articles were grouped and relabeled as the Taxpayer s Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition Time marched on and more information was added to the first edition such as expanded retirement planning concerns health care options after the Affordable Care Act and business valuations including exit strategies Boom we now had our second edition at over 100 pages At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback So here we are Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer s Comprehensive Guide to LLCs and S Corps and praised the wealth of information Regardless of your current situation whether you are considering starting your own business or entertaining a contracting gig or you are an experienced business owner the contents of this book are for you This book will show you how to reduce your self employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status Want to buy or sell a business That s in here too This book is written with the general taxpayer in mind Too many resources simply regurgitate complex tax code without explanation While in some cases tax code and court opinions are duplicated verbatim because of the precise words this book strives to explain many technical concepts in layperson terms with some added humor and opinions We believe you will find this book educational as well as amusing
