Alchemy And The Elixir Of Immortality Revised Edition Volume 13:

The Journey to the West, Revised Edition, Volume 4 Anthony C. Yu, 2013-04-05 Read the legendary Chinese classic that inspired the hit game Black Myth Wukong Anthony C Yu's translation of The Journey to the West initially published in 1983 introduced English speaking audiences to the classic Chinese novel in its entirety for the first time Written in the sixteenth century The Journey to the West tells the story of the fourteen year pilgrimage of the monk Xuanzang one of China's most famous religious heroes and his three supernatural disciples in search of Buddhist scriptures Throughout his journey Xuanzang fights demons who wish to eat him communes with spirits and traverses a land riddled with a multitude of obstacles both real and fantastical An adventure rich with danger and excitement this seminal work of the Chinese literary canon is by turns allegory satire and fantasy With over a hundred chapters written in both prose and poetry The Journey to the West has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot But Yu has successfully taken on the task and in this new edition he has made his translations even more accurate and accessible The explanatory notes are updated and augmented and Yu has added new material to his introduction based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions He has also modernized the transliterations included in each volume using the now standard Hanyu Pinyin romanization system Perhaps most important Yu has made changes to the translation itself in order to make it as precise as possible One of the great works of Chinese literature The Journey to the West is not only invaluable to scholars of Eastern religion and literature but in Yu's elegant rendering also a delight for any reader

The Elixir of Immortality Robert E. Cox, 2009-09-09 A modern day quest that echoes the ancient alchemists work to discover the elixir of life Provides an overview of alchemical practices in the ancient world from Europe to China Reveals the alchemical secrets for creating this elixir in clear scientific language In 1989 while attempting to extract precious minerals from his property a wealthy Arizonan obtained a mysterious white material that initially defied scientific attempts to identify it After several years of testing this substance was revealed to consist of gold and platinum but in a form unknown to modern science Further research showed that this powder which had also been discovered to possess marvelous healing powers contained monatomic forms of precious metals whose electron units had been altered to no longer display the physical chemical or electrical properties of the original elements This substance Robert Cox shows bears eerie resemblance to the ultimate quest of the alchemists the elixir of immortality The mysterious material spiritual science of alchemy was once pervasive throughout the ancient world spanning the globe from China and India to Egypt and medieval Europe In The Elixir of Immortality Robert Cox reviews the alchemical lore of these traditions and the procedures each used to produce this fabulous elixir Using his own alchemical research Cox then reveals secrets that have been kept hidden for millennia uncovered in his own modern day quest to rediscover this long sought elixir of life
