

* THIS, TOO, SHALL PASS AWAY ✓✓

WHEN SOME GREAT SORROW, like a mighty river,
Flows through your life with peace-destroying power,
And dearest things are swept from sight forever,
Say to your heart each trying hour:
"This, too, shall pass away."

When ceaseless toil has hushed your song of gladness,
And you have grown almost too tired to pray,
Let this truth banish from your heart its sadness,
And ease the burdens of each trying day:
"This, too, shall pass away."

When fortune smiles, and, full of mirth and pleasure,
The days are flitting by without a care,
Lest you should rest with only earthly treasure,
Let these few words their fullest import bear:
"This, too, shall pass away."

... and This Too Shall Pass Jeri L.M.S Guyette,2011-05-01 Poetry that speaks from the heart takes its readers on a lyrical journey chronicling the emotional and physical power of destructive love on to the uplifting confidence and empowerment of love of one s self and the restorative beauty of being loved by others Written in free verse peppered with haikus and tankas and seasoned with poetic compositions inspired by such artists as Nicci Gilbert Anthony David and Kem this contemporary collection brings a new voice to the genre of poetry **Galleries of Literary Portraits** George Gilfillan,1856 Galleries of Literary Portraits,2 George Gilfillan,1857 **Galleries of Literary Portraits: Poets. French revolutionists. Novelists** George Gilfillan,1856 **Galleries of Literary Portraits** George Gilfillan,2025-08-28 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Insistent Images** El?zbieta Tabakowska,Christina Ljungberg,Olga Fischer,2007-01-01 Insistent Images presents a number of new departures dealing with iconicity on the conceptual and the structural levels On the level of structure the interface between different aspects of iconicity lexical meaning and grammar is discussed in reference to both spoken and signed languages Novel approaches to aural iconicity investigate a wide range of phenomena from phonological iconicity to the role of iconic features in discourse in the nineteenth century practice of reading aloud in the almost magic incantations of fin de si cle poetry and in Tolkien s invented languages Several papers examine the function of iconicity in visual and avant garde poetry where iconic features allow a reduction of means which paradoxically generates textual diversification and complexity A discussion of iconic text strategies shows how texts are comprehended through iconic holistic transfer from complex natural and action patterns Liberaure which integrates text image and physical space is another novel area of study as are the investigations into the iconic properties of film and of multimedia performance Film is intrinsically iconic while at the same time being like photography indexical in multimedia performance on the other hand iconicity functions intermedially by both integrating and reflecting processes of perception and conceptualization These last two new fields of inquiry further enhance this truly interdisciplinary volume s explorations of icons as insistent images Athenaeum and Literary Chronicle ,1854 The Lightning-scene in Ancient Arabic Poetry Ali Ahmad Hussein,2009 In Old Arabic poetry from the pre Islamic and early Islamic periods to the end of the orthodox Caliphate one theme is the lightning scene In this the protagonist asserts that he could not sleep because he saw lightning flashing far away in the sky The book explores the various functions of this scene and its relationship with other parts of the poem This study achieves two main goals The first sheds light on two important terms connected with Old Arabic poetry the function and the narration We see how a certain element can function differently from text to text and how these different functions influence the narration of a poem and consequently make it to some degree idiosyncratic i e a text that differs from other poems that include the same element The second purpose is to make a

comprehensive study of the components namely the motifs included in the lightning scenes Here the author reaches conclusions regarding whether these components differ significantly from text to text or whether they are merely repetitions In other words this study examines whether the lightning scenes in themselves are idiosyncratic or on the contrary are fossilized and conventional follow long established poetic traditions *The poetical works of William Wordsworth, with intr. and notes, ed. by T.
