as the gold exhibited in its quarters are a representation of the Roman Empires power This is entirely contradictory to the humility shown by the Virgin Mary and Joseph her chaste husband a story which the church itself has spread You neednt words to understand this you only need to closely appreciate the cover in this book **Eyewitness to the Gods** Erich von Däniken,2025-09-12 The father of the ancient alien theory with more than 65 million books sold reveals everything he has withheld for years In all his years of service why didn t Erich von D niken ever doubt his theory that inhabitants of other planets had come into contact with humanity ages ago and that they still observe us today How could von D niken in all these years say firmly that the UFO phenomenon is real and that people are being abducted by aliens Why does he repeatedly criticize the official historiography and our religions and thus accept scorn and hostility The answers to these questions are Because Erich von D niken spoke to people who supported his theories Because people who saw UFOs or were kidnapped by aliens trusted him And because experts and insiders inaugurated secrets known to only a few people In this book the now 81 year old presents selected eyewitnesses and insiders for the first time reveals secrets and stories that he has hitherto kept private and presents reports and revelations that leave one speechless **Prohibited Knowledge** Miguel

Pedrero,2020-08-04 There is a forbidden knowledge or cursed that is elbowing its way Although large academic institutions and political and financial power try to stop it committed prepared and enlightened women and men are bringing it to light in schools laboratories archaeological campaigns or historical studies In this book the reader will discover among many other destabilizing issues that Eminent microbiologists and astrophysicists defend that our DNA is artificial and we are probably the creation of an alien civilization There is remarkable evidence that beings from other worlds visited us in the remote past being taken by gods The traditions and sacred books of various religions including the Judeo Christian describe contacts with extraterrestrials On Earth other humanities lived in a remote past On the face of our planet there were disappeared civilizations with enormous technological development long before the Egyptian and the Sumerian Scientists already have proof that life exists after life It is fully accepted that there are countless parallel universes where life forms can exist The UFO phenomenon constitutes proof that these dimensional intelligences have been with us since the beginning of time

¿CÓMo Es Dios? y ¿QuÉ Es el Hombre? Dr.Jesus Humberto Enriquez Rubio,2014-05-23 This is Book No 3 as well as the last book in the collection untitled WHAT IS THERE BETWEEN GOD AND MAN This series represents the fifty years of my life I dedicated to search and investigate literature in order to find everything I could about God and his relationship with man Throughout these years I worked with an open mind putting aside all paradigms and biases and I discovered very interesting things that led me to a number of conclusions that were surprising even for me I found out for instance that Jesus Christ is the result of a legend created by Saul of Tarsus Saint Paul almost three hundred years before Emperor Constantine I the Great adopted Christianity as the official religion of the Roman Empire I also learned that the divinity of Jesus Christ was agreed upon at the Council of Nicaea in the year 325 A D being promoted and agreed to by the emperor Christianity became the property of the empire and one hundred years afterwards the Roman Empire became property of the Catholic Church with the pope as leader The pope performs the functions of Roman Emperor to this date I also discovered that the church worships three gods Jesus Christ who is a legend in itself Jehovah because the whole Bible is a book that talks about him and his relationship with Judaism and God the almighty father Christianity confuses and mixes these three gods I also found out that the act of consecration during mass represents the sacrifice and dismembering of Jesus Christ as an offering to Jehovah and that all Catholics are happy with this crime because Jesus Christ upon being sacrificed gets rid of all the sins committed by everyone present The assembly finishes by eating his flesh and drinking his blood similar to a voodoo ceremony or to an act of cannibalism There are many other things you should take the time to consider
