Andrew Marvell's Liminal Lyrics The Space Between:

Andrew Marvell's Liminal Lyrics Joan Faust, 2012-09-20 Andrew Marvell's Liminal Lyrics The Space Between is an interdisciplinary study of the major lyric poems of seventeenth century British metaphysical poet Andrew Marvell. The poet and his work have generally proven enigmatic to scholars because both refuse to fit into normal categories and expectations. This study invites Marvell readers to view the poet and some of his representative lyrics in the context of the anthropological concept of liminality as developed by Victor Turner and enriched by Arnold Van Gennep, Jacques Lacan, and other observers of the in-between aspects of experience. The approach differs from previous attempts to explain Marvell in that it allows multidisciplinary and multi-media contexts in a broad matrix of the areas of experience and representation that defy boundaries that blur the line at which entrance becomes exit. This study acknowledges that the poems discussed and by implication the entire corpus of Marvell's work and the life that produced it derive from a refusal to draw a definite divide. In analyzing a small selection of Marvell's life and lyrics as explorations of various realms of liminality in word and image, readers can see a passageway to the poet's works that never really reaches a destination; instead, the unlimited possibilities of the journey remain. Thus, the in-between aspects of the poet and his poetry actually define his technique as well as his brilliance.

Lyric Apocalypse Ryan Netzley, 2015-01-22 What's new about the apocalypse? Revelation does not allow us to look back after the end and enumerate pivotal turning points. It happens in an immediate encounter with the transformatively new. John Milton's and Andrew Marvell's lyrics attempt to render the experience of such an apocalyptic change in the present. In this respect, they take seriously the Reformation's insistence that eschatology is a historical phenomenon. Yet these poets are also reacting to the Regicide, and as a result, their works explore very modern questions about the nature of events, what it

means for a significant historical occasion to happen Lyric Apocalypse argues that Milton's and Marvell's lyrics challenge any retrospective understanding of events including one built on a theory of revolution Instead these poems show that there is no after to the apocalypse that if we are going to talk about change we should do so in the present when there is still time to do something about it For both of these poets lyric becomes a way to imagine an apocalyptic event that would be both hopeful and new **Andrew Marvell, Sexual Orientation, and Seventeenth-Century Poetry** George Klawitter,2017-09-01

Andrew Marvell Sexual Orientation and Seventeenth Century Poetry examines the important Interregnum Restoration poet Andrew Marvell against a background of his contemporary lyric poets His major works from the early elegies to the later political pieces are discussed with a view to unmasking the poet's own sexuality and his reflection of prevailing sexual attitudes Popular poems like the Mower poems and The Nymph Complaining for the Death of her Fawn are explicated in depth as well as lesser known poems like The Unfortunate Lover and The Gallery Marvell often described as a chameleon has teased readers for hundreds of years This new book will help both new readers as well as established Marvellians to understand cryptic sexual meanings and references in the verses Poems are explicated against current heteronormative theory as well as recent work on homoeroticism autoeroticism and celibacy George Klawitter has devoted much of his recent scholarly life to a study of Marvell's lyric pieces and brings to this new book fresh insights into the suggestive intent of the poet's works **Gale Researcher Guide for: Andrew Marvell: Poet, Polemicist, Politician** Brendan Prawdzik, Gale

D. Cousins,2016-03-02 This monograph studies how across the Folio of 1681 Marvell's poems engage not merely with different kinds of loss and aspiration but with experiences of both that were in mid seventeenth century England disturbingly new and unfamiliar It particularly examines Marvell's preoccupation with the search for home and with redefining the homeland in times of civil upheaval In doing so it traces his progression from being a poet who plays sophisticatedly with received myth to being one who is a national mythmaker in rivalry with his poetic contemporaries such as Waller and Davenant Although focusing primarily on poems in the Folio of 1681 this book considers those poems in relation to others from the Marvell canon including the Latin poems and the satires from the reign of Charles II It closely considers them as well in relation to verse by poets from the classical past and the European especially English present **Ekphrastic encounters** David

Kennedy,Richard Meek,2018-12-05 This book offers a comprehensive reassessment of ekphrasis the verbal representation of visual art Ekphrasis has been traditionally regarded as a form of paragone competition between word and image This interdisciplinary collection of essays seeks to complicate this critical paradigm and proposes a more reciprocal model of ekphrasis that involves an encounter or exchange between visual and textual cultures This critical and theoretical shift

demands a new form of ekphrastic poetics which is less concerned with representational and institutional struggles and more concerned with ideas of ethics affect and intersubjectivity Ekphrastic encounters brings together leading scholars working in the field of word and image studies and offers a fresh exploration of ekphrastic texts from the Renaissance to the present day Taken together the chapters establish a new set of theoretical frameworks for exploring the ekphrastic encounter

Liminal Dickens Valerie Kennedy, Katerina Kitsi-Mitakou, 2016-05-11 *Liminal Dickens* is a collection of essays which cast new light on some surprisingly neglected areas of Dickens's writings the rites of passage represented by such transitional moments and ceremonies as birth christenings weddings marriages and death Although a great deal of attention has been paid to the family in Dickens's works relatively little has been said about his representations of these moments and ceremonies Similarly although there have been discussions of Dickens's religious beliefs neither his views on death and dying nor his ideas about the afterlife have been analysed in any great detail Moreover this collection arising from a conference on Dickens held in Thessaloniki in 2012 explores how Dickens's preoccupation with these transitional phases reflects his own liminality and his varying positions regarding some main Victorian concerns such as religion social institutions progress and modes of writing The book is composed of four parts Part One concerns Dickens's tendency to see birth and death as part of a continuum rather than as entirely separate states Part Two looks at his unconventional responses to adolescence as a transitional period and to the marriage ceremony as an often unsuccessful rite de passage Part Three analyses his partial divergence from certain widely held Victorian views about progress evolution sanitation and the provisions made for the poor and Part Four focuses on two of his novels which are seen as transgressing conventional genre boundaries *England's Fortress* Andrew Hopper, Philip Major, 2016-05-13 Overshadowed in the popular imagination by the figure of Oliver Cromwell historians are increasingly coming to recognize the importance of Thomas Fairfax 3rd Lord Fairfax of Cameron in shaping the momentous events of mid seventeenth century Britain As both a military and political figure he played a central role in first defeating Charles I and then later supporting the restoration of his son in 1660 *England's Fortress* shines new light on this significant yet surprisingly understudied figure through a selection of essays addressing a wide range of topics from military history to poetry Divided into two sections the volume reflects key aspects of Fairfax's life and career which are nevertheless as interconnecting as they are discrete Fairfax the soldier and statesman and Fairfax the husband horseman and scholar This fresh account of Fairfax's reputations and legacy questions assumptions about neatly demarcated seventeenth century chronological geographic and cultural boundaries What emerges is a man who subverts as much as he reinforces assumed characteristics of martial invincibility political disengagement and literary dilettantism *Texts and readers in the Age of Marvell* Christopher D'Addario, Matthew C. Augustine, 2018-08-07 *Texts and Readers in the Age of Marvell* offers fresh perspectives from leading and emerging scholars on seventeenth century British literature with a focus on the surprising ways that texts interacted with writers and readers at specific cultural moments
