Angels On The Night Shift Inspirational True Stories From The Er:

Angels on the Night Shift Robert D. Lesslie, 2012-10-01 Combined sales of over 250 000 copies demonstrate the terrific impact Robert Lesslie's first three books have had on readers. In *Angels on the Night Shift*, the fourth book based on his 30 years experience in the ER, Dr. Lesslie draws open the curtain on the lives, the dramas, and the close human connections hidden away behind hospital walls. Events that day and night reveal nurses, doctors, patients, friends, even strangers to be angels in disguise. Hope, beauty, love, warning, and faith all intermingle in these fast-paced stories as readers witness belief and trust during tragedy and triumph, observe hearts and motives starkly revealed, catch glimpses of miracles as they unfold, see demands for split-second action, discover life lessons for themselves. Readers will gain a window on some of life's greatest wonders and mysteries as they share intimate joys and struggles of people just like them. [Notes from a Doctor's Pocket](#)

Robert D. Lesslie, 2013-10-01 These *Notes from a Doctor's Pocket* come from the decades of ER experience of bestselling author Dr. Robert Lesslie, whose routine faced him with times of grief or pain, relief or delight, life or death. Such everyday happenings and encounters gave rise to these vignettes in which readers will meet up with the characters, coincidences, and complications common to the emergency room: characters like Freddy who literally shoots himself in the foot, coincidences like finally having the chance to hear what patients say to each other when doctors and nurses aren't in the room, complications such as dealing with parents who buy lottery tickets and alcohol instead of medicine for their little boy. These heart-tugging, heart-lifting slices of life will prompt readers to search for opportunities to give the comfort of a touch, the grace of a kind word, or a prayer that brings hope and healing. [Miracles in the ER](#)

Robert D. Lesslie, 2014-08-01 You've heard about them: Extraordinary, unexplainable, seemingly miraculous true stories that couldn't have happened but did. Real life stories of life changes, answered prayers, inner and outer healing where they appeared impossible. Again and again, bestselling author Dr. Robert Lesslie has encountered such miracles in the ER during his decades of experience in emergency medicine. In these vignettes, all true stories, Dr. Lesslie chronicles miracles of physical healing, joy, and forgiveness, restored relationships, time granted and spent, angels, human and otherwise. These touching, dramatic, thought-provoking snapshots of life will grace you with hope and prompt you to look more closely for the miracle stories around you that so often go unseen and untold. [Angels on Call](#)

Robert D. Lesslie, 2018-09-04 Who is on call for you? Whether they walk or are wheeled or are carried in, every person in the ER has a unique story to tell. And every one of them needs an angel. Bestselling author Robert Lesslie, over 400 000 books sold, invites you to experience the heart-pounding drama he's witnessed firsthand during his 30-plus years as an ER doctor. Go on call with Dr. Lesslie and encounter an unusual injury that puts two burly bikers flat on their backs, a resilient cancer patient with an indomitable spirit, a doctor's mixed emotions over a young woman's tragic overdose, a medical instructor's unforgettable lesson on the importance of observation, a pair of overzealous caregivers who give an elderly man the scare of a lifetime. In these touching true stories and many more, you'll discover that angels come in many

forms sent by a caring God who is always on call when you need Him most Angels to the Rescue Robert D.
