Anglican Confirmation 1820-1945 Phillip Tovey, 2024-06-03 This book focuses on Anglican Confirmation in theology liturgy and practice from 1820 to 1945 This was a period of great change in the ways Anglicans approached Confirmation The Tractarian movement transformed the Communion and its ideas were carried overseas with the missionary movement The study examines the development of a two stage theology and its reception It analyses the wave of liturgical revision expressed in England in the 1928 Prayer Book It explores the episcopal changes in practice from the eighteenth century paradigm to a new way of confirming The revolution of the time has left a legacy that still informs practice while doubts about theology and its liturgical application have left an existential crisis The author reflects on how the current situation in various provinces has its roots in this period and the diffusion of ideas in the Communion The book offers a fresh systematic examination of the neglected ecclesial practice of Confirmation providing a more holistic view and clarifying developments to help us better understand the present It will be of particular interest to scholars of Christian theology liturgy ecclesiology and church history

The Oxford Handbook of John Henry Newman Frederick D. Aquino, Benjamin John King, 2018 John Henry Newman 1801 1890 has always inspired devotion Newman has

made disciples as leader of the Catholic revival in the Church of England an inspiration to fellow converts to Roman Catholicism a nationally admired preacher and prose writer and an internationally recognized saint of the Catholic Church Nevertheless he has also provoked criticism The church authorities both Anglican and Catholic were often troubled by his words and deeds and scholars have disputed his arguments and his honesty Written by a range of international experts The Oxford Handbook of John Henry Newman shows how Newman remains important to the fields of education history literature philosophy and theology Divided into four parts part one grounds Newman's works in the places cultures and networks of relationships in which he lived Part two looks at the thinkers who shaped his own thought while the third part engages critically and appreciatively with themes in his writings Part four examines how those themes have shaped conversations in the churches and the academy This Handbook will serve as an important resource to critical and appreciative exploration of the person writings controversies and legacy of Newman Sacramentality Renewed Lizette Larson-Miller, 2016-04-11

Tracing developments in sacramental theology over the past twenty five years this study explores a growing ecumenical dynamism in both the academic study of sacramentality and its centrality in pastoral applications But how does ecumenical excitement in a renewed discovery of sacramental theology fit with different theologies of church and different pastoral beliefs and practices How does the universality of academic accessibility in the form of an expansive ecumenical sharing of perspectives meet the particularities of pastoral reality and ecclesial polity Arguing in favor of fruitful ecumenical conversation this book also focuses on the crucial interaction of ecclesiology liturgical practice and sacramentality which raises the need for a creative tension between the particularities of a given ecclesial system and the catholicity of Christian sacramentality Using Anglican sacramental theologies and Anglicanism as vehicles of exploration this study contributes to an overview of the state of the field of sacramental theology in the twenty first century while challenging the assumption that one size fits all In sacramental theology as in other important areas of Christian life unity in diversity may be the basis for authentic lived sacramentality **Ordo Calendar of the Anglican Rite Roman Catholic Church 2014-2015** Court of Saint Mary of Walsingham, 2014-11-20 The liturgical calendar as used by the Anglican Rite Roman Catholic Church for liturgical year 2014 2015 the Year of Nobility and Charity The Old Holy Roman Church of the English Rite ARRCC is an autonomous and semi autocephalous Old Roman Catholic Patriarchate with Anglican patrimony descended from the Roman Catholic See of Utrecht The See of Utrecht was granted autonomy from Rome by the Holy See in 1145 and has remained independent Modernly known as the Anglican Rite Roman Catholic Church ARRCC the Patriarchate is faithful to the magisterium of eternal Rome and the eternal One Holy Catholic Apostolic and Roman Church While it embraces the current Roman Communion commonly referred to as the Roman Catholic Church the Anglican Ordinariate the Anglican Communion and other Catholic and Anglican bodies as brethren they are not administratively bound with the ARRCC *The Bible in Worship* Victoria Raymer , 2018-02-27 Biblical proclamation is central to Christian worship The Bible witnesses to the

foundational experiences of the Church Its proclamation invites worshippers into encounter with Christ the living Word The Bible in Worship seeks to make visible how the Bible is encountered in the worship of mainstream Western churches Focusing in turn on the Roman Catholic Reformed and Anglican traditions Victoria Raymer offers a detailed and lively consideration of the contemporary practices of proclamation in each considers their respective patterns of reading the Bible as part of public worship and reflects on the place the Bible takes in daily prayer Raymer also draws our attention towards the role the psalms play in contemporary formal liturgy and offers a chapter on how the Bible is weaved into less formal forms of worship including contemporary sung worship Offering a truly holistic study of the scripture in worship the book will resource readers to reflect on how proclamation invites response in understanding and resolve and to consider how it might do so more effectively Using the Book of Common Prayer Paul Thomas, 2014-08-04 A practical guide to using the Book of Common Prayer without using technical language or assuming prior knowledge It includes a history and theology of the BCP with practical advice on using its principal services
