Venning, 2022-03-18 Royal mysteries never fail to intrigue readers and TV viewers The mysteries unravelled and analysed are of enduring fascination and full of tragedy suffering and pathos but also heroism and romance The text is based on deep research in original sources including rare documents archaeological and DNA evidence latest historiography and academic research but is essentially accessible history These are the Dark Ages but Anglo Saxon enlightenment is emphasised The Heptarchy with seven Anglo Saxon states is examined and Alfred's victory over the Vikings and emergence of the English kingdom But mystery surrounds all aspects of dynastic political and military history The story includes the surviving British and Welsh kingdoms when Welsh meant foreigner the Gaelic kingdoms in what became Scotland the survival of lowland Britons under the Germanic Anglo Saxon radar a new interpretation of early English society in its shadowy forms with the half mythical founders of the early English kingdoms like Hengist of Kent or Cerdic of Wessex up to William duke of Normandy did he have any legitimate claim to justify his power grab Some episodes have dropped out of history like the murder the teen age King Edward the Martyr but here is a re telling of early mysteries based on close analysis of the myriad sources while stimulating romantic fascination **The Earliest English Kings** D. P. Kirby, 2020-03-25 The Earliest English

Kings is a fascinating survey of Anglo Saxon History from the sixth century to the eighth century and the death of King Alfred It explains and explores the Heptarchy or the seven kingdoms of Anglo Saxon England as well as the various peoples within them wars religion King Offa and the coming of the Vikings With maps and family trees this book reveals the complex distant and tumultuous events of Anglo Saxon politics **Early English Queens, 650-850** Stefany Wragg, 2022-06-07 This book offers the first dedicated and comprehensive examination of the lives of nearly thirty women known to occupy the office of

queen in the English kingdoms between 650 and 850 The queens of early England are often shadowy figures in the historical record beset by numerous issues which have largely confined them to the margins of history Through careful analysis the volume presents a ground breaking appraisal of the role of queens in early England and how their actions and identities shaped their practice of queenship Organised thematically it offers an overview of queens in many different roles such as agents of Christianity mothers and peace weavers From high profile queens such as thelthryth of Ely and Cynethryth of Mercia to the shadowy Leofrun of East Anglia and the nameless queen of Anna of East Anglia the book engages with sources to advance fuller narratives about even the most obscure queens of the era Aided by resources such as genealogical tables Early English Queens 650 850 is an ideal resource for students and scholars at all levels as well general readers interested in the lives of queens and early English history *Edinburgh Guilds and Crafts* Sir James David Marwick,1909 **A**

Companion to Medieval Poetry Corinne Saunders,2010-02-12 A Companion to Medieval Poetry presents a series of original essays from leading literary scholars that explore English poetry from the Anglo Saxon period up to the 15th century Organised into three parts to echo the chronological and stylistic divisions between the Anglo Saxon Middle English and Post Chaucerian periods each section is introduced with contextual essays providing a valuable introduction to the society and culture of the time Combines a general discussion of genres of medieval poetry with specific consideration of texts and authors including Beowulf Sir Gawain and the Green Knight Chaucer Gower and Langland Features original essays by eminent scholars including Andy Orchard Carl Schmidt Douglas Gray and Barry Windeatt who present a range of theoretical historical and cultural approaches to reading medieval poetry as well as offering close analysis of individual texts and traditions Peopling Insular Art Cynthia Thickpenney, Katherine Forsyth, Jane Geddes, Kate Matthis, 2020-07-31 The International Conference on Insular Art IIAC is the leading forum for scholars of the visual and material culture of early medieval Ireland and Britain including manuscript illumination sculpture metalwork and textiles and encompassing the work of Anglo Saxon Celtic and Norse speaking artists The present volume contains a selection of papers presented at the eighth IIAC which took place in Glasgow 11 14 July 2017 The theme of IIAC8 Peopling Insular Art Practice Performance Perception was intended to focus attention on those who commissioned created and engaged with Insular art objects and how they conceptualised fashioned and experienced them with engagement covering not only contemporary audiences but later medieval and modern ones too The twenty one articles gathered here reflect the diverse ways in which this theme has been interpreted They demonstrate the intellectual vibrancy of Insular art studies its international outlook its interdisciplinarity and its openness to innovative technologies and approaches while at the same time demonstrating the strength and enduring value of established methodologies and research practices The studies collected here focus not only on made objects but on the creative processes and intellectual decisions which informed their making This volume brings Insular makers the illuminators pattern makers rubricators carvers and casters to the fore **Cognitive Approaches to Old English Poetry**

Antonina Harbus, 2012 Offers an entirely new way of interpreting and examining Anglo Saxon texts via theories derived from cognitive studies A major thoughtful study applying new and serious interpretative and critical perspectives to a central range of Old English poetry Professor John Hines Cardiff University Cognitive approaches to literature offer new and exciting ways of interpreting literature and mentalities by bringing ideas and methodologies from Cognitive Science into the analysis of literature and culture While these approaches are of particular value in relation to understanding the texts of remote societies they have to date made very little impact on Anglo Saxon Studies This book therefore acts as a pioneer mapping out the new field explaining its relevance to Old English Literary Studies and demonstrating in practice its application to a range of key vernacular poetic texts including Beowulf The Wanderer and poems from the Exeter Book Adapting key ideas from three related fields Cognitive Literary Cultural Studies Cognitive Poetics and Conceptual Metaphor Theory in conjunction with more familiar models derived from Literary Analysis Stylistics and Historical Linguistics allows several new ways of thinking about Old English literature to emerge It permits a systematic means of examining and accounting for the conceptual structures that underpin Anglo Saxon poetics as well as fuller explorations at the level of mental processing of the workings of literary language in context The result is a set of approaches to interpreting Anglo Saxon textuality through detailed studies of the concepts mental schemas and associative logic implied in and triggered by the evocative language and meaning structures of surviving works ANTONINA HARBUS is Professor in the Department of English at Macquarie University Sydney Australia

Old English Runes Gaby Waxenberger, Kerstin Kazzazi, John Hines, 2023-04-03 This volume presents contributions to the conference Old English Runes Workshop organised by the Eichstätt München Research Unit of the Academy project Runic Writing in the Germanic Languages RuneS and held at the Catholic University of Eichstätt Ingolstadt in March 2012 The conference brought together experts working in an area broadly referred to as Runology Scholars working with runic objects come from several different fields of specialisation and the aim was to provide more mutual insight into the various methodologies and theoretical paradigms used in these different approaches to the study of runes or in the present instance more specifically runic inscriptions generally assigned to the English and or the Frisian runic corpora Success in that aim should automatically bring with it the reciprocal benefit of improving access to and understanding of the runic evidence expanding and enhancing insights gained within such closely connected areas of study of the Early Mediaeval past
