Sturdy convenient new box with a handle for easy portability How to Use ASQ SE 2 Questionnaires Fast and easy to use ASQ
SE 2 questionnaires take just 10 15 minutes for parents to complete First parents fill out the questionnaire checking the
response that best describes their child TM s behavior often or always sometimes or rarely or never Clear questions help
parents complete the questionnaires quickly and accurately and open ended questions ask about any related parental
concerns Professionals score the questionnaire in just 2 3 minutes and then transfer a total score to a simple summary sheet
along with any concerns the parent has noted The summary sheet a visual indicator of social emotional development and
parent concerns indicates whether any followup should be considered Total scores that fall in the graph TM s range of risk
dark shaded zone indicate the child may need further evaluation NEW A total score in the new oemonitoring zone light
shaded area helps identify children that may require followup actions based on items of concern Professionals can work with
parents to address behaviors of concern and provide social emotional development information sheets and activities to help
their child make progress before the next screening Scores outside the shaded zones mean the child TM s social emotional
development appears to be developing on schedule Parents can monitor their child TM s development by rescreening at the
