Assault On Mount Helicon A Literary Memoir:

Assault on Mount Helicon Mary Barnard, 1984-01 An American poet and translator of classical Greek poetry describes her career and the poets and writers she came to know including her mentor Ezra Pound Mary Barnard, American Imagist Sarah Barnsley, 2013-12-01 Uncovers a new chapter in the story of American modernist poetry Perhaps best known for her outstanding translation of Sappho poet Mary Barnard 1909 2001 has until recently received little attention for her own work In this book Sarah Barnsley examines Barnard s poetry and poetics in the light of her plentiful correspondence with Ezra Pound William Carlos Williams and others Presenting Barnard as a late Imagist Barnsley links Barnard s search for a poetry grounded in native speech to efforts within American modernism for new forms in the American grain Barnsley finds that where Pound and Williams began the campaign for a modern poetry liberated from the heave of the iambic pentameter Barnard completed it through a spare but musical aesthetic derived from her studies of Greek metric and American speech rhythms channeled through materials drawn direct from the American local The first book on Barnard and the first to draw on the Barnard archives at Yale s Beinecke Library Mary Barnard American Imagist unearths a fascinating and previously untold chapter of twentieth century American poetry Clearly structured and elegantly written Mary Barnard American Imagist far exceeds any act of routine scholarly recovery In addition to giving full recognition to Barnard s superb skills as a translator of Sappho Sarah Barnsley also makes a convincing case for her original poetic output and for her contribution to the evolution of American free verse Peter Nicholls author of *Modernisms A Literary Guide Second Edition* *Olga Rudge & Ezra Pound* Anne Conover, 2008-10-01 divA loving and admiring companion for half a century to literary titan Ezra Pound concert violinist Olga Rudge was the muse who inspired the poet to complete his epic poem *The Cantos* and the mother of his only daughter Mary Strong minded and defiant of conventions Rudge knew the best and worst of times with Pound With him she coped with the wrenching dislocations brought about by two catastrophic world wars and experienced modernism s radical transformation of the arts In this enlightening biography Anne Conover offers a full portrait of Olga Rudge 1895 1996 drawing for the first time on Rudge s extensive unpublished personal notebooks and correspondence Conover explores Rudge s relationship with Pound her influence on his life and career and her perspective on many details of his controversial life as well as her own musical career as a violinist and musicologist and a key figure in the revival of Vivaldi s music in the 1930s In addition to mining documentary sources the author interviewed Rudge and family members and friends The result is a vivid account of a highly intelligent and talented woman and the controversial poet whose flame she tended to the end of her long life The book quotes extensively from the Rudge Pound letters an almost daily correspondence that began in the 1920s and continued until Pound s death in 1972 These letters shed light on many aspects of Pound s disturbing personality the complicated and delicate balance he maintained between the two most significant women in his life Olga and his wife Dorothy for fifty years the birth of Olga and Ezra s daughter Mary de Rachewiltz Pound s alleged anti-Semitism and Fascist

Tryphonopoulos,Stephen J. Adams,2005-04-30 Ezra Pound forever changed the course of poetry The author of a vast body of literature his enormous range of references and use of multiple languages make him one of the most obscure authors and because of his Fascism anti Semitism and questionable sanity one of the most controversial This encyclopedia is a concise yet comprehensive guide to his life and writings Included are more than 250 alphabetically arranged entries on such topics as Arabic history Chinese translation dance Hilda Doolittle Egyptian literature Robert Frost and Pound s publications The entries are written by roughly 100 expert contributors and cite works for further reading Ezra Pound forever changed the

course of poetry His vast body of poetry and critical works make him one of the 20th century's most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings

Ezra Pound: Poet A. David Moody, 2014-09-25 The long awaited second volume of A David Moody's critically acclaimed three part biography of Ezra Pound weaves together the illuminating story of his life his achievements as a poet and a composer and his one man crusade for economic justice The years 1921-1939 were the most productive of Pound's career In 1920s Paris he was among the leading figures of the avant garde and in that ambience he composed an opera made original contributions to the theory of harmony and wrote the first thirty cantos of his great epic Moody explores this creativity in fascinating detail examining the environment that allowed for some of Pound's greatest work This period also brought Pound's politics firmly into view and Moody is able to shed new light on his sympathy for Mussolini's Fascism his invoking Confucian China as a model of responsible government and his abiding commitment to the democratic values of the American Constitution Pound is revealed as a great poet and a flawed idealist caught up in the turmoil of his darkening time and struggling sometimes blindly and in error and self contradiction to be a force for enlightenment

Pound/Cummings Barry Ahearn, 1996 Similarly these letters should provoke a reevaluation of Cummings Critics have treated Cummings's political views as either strictly private matters or merely incidental to his art The letters however show that Cummings's radically conservative political opinions are wholly consistent with his poetics and raise the question of the relation between Cummings's political principles and his enthusiasm for particular forms and particular stars of mass entertainment In addition to their political revelations the letters are steeped in the literary climate and literary gossip of the times Pound comments often and candidly on Cummings's poetry and prose both Pound and Cummings send light verse to each other And the poets exchange anecdotes about such figures as Henry James Wyndham Lewis T S Eliot Edmund Gosse Max Eastman and Aldous Huxley among other writers

Translations of Greek Tragedy in the Work of Ezra Pound Peter Liebrechts, 2019-10-03 Turning the tables on the misconception that Ezra Pound knew little Greek this volume looks at his work translating Greek tragedy and considers how influential this was for his later writing Pound's work as a translator has had an enormous impact on the theory and practice of translation and continues to be a source of heated debate While scholars have assessed his translations from Chinese Latin and even Provençal his work on Greek tragedy remains understudied Pound's versions of Greek tragedy of Aeschylus Agamemnon and of Sophocles Elektra and Women of Trachis have received scant attention as it has been commonly assumed that Pound knew little of the language Liebrechts shows that the poet's knowledge of Greek was much more comprehensive than is generally assumed and that his renderings were based on a careful reading of the source texts He identifies the works Pound used as the basis for his translations and

contextualises his versions with regard to his biography and output particularly *The Cantos* A wealth of understudied source material is analysed such as Pound's personal annotations in his Loeb edition of Sophocles his unpublished correspondence with classical scholars such as F R Earp and Rudd Fleming as well as manuscript versions and other as yet unpublished drafts and texts which illuminate his working methodology
