Powell,2017-06-19 To adequately present the message of the Kingdom in the midst of a perverse generation we must study and apply ourselves But knowledge alone is not enough wisdom understanding and discernment are also required to effectively minister God s Word From her decades of ministry experience Dr Glories Powell shares practical tools for ministers of the Gospel In this handbook you will find research techniques sermon designs ministry protocol prophetic insights and revelation on several doctrinal truths Before we expect the power of God s Word to change lives we must first allow the Holy Spirit to work through us After more than 25 years of experience in ministry and a doctorate in theology Dr Powell has learned enough to know that there is much more to learn Because a preacher or evangelist must model their message and live what they teach this handbook was passionately written for those seeking to become skilled in presenting the Word of God Spirit, Freedom and Power Angelo Ulisse Cettolin,2016-07-21 The Pentecostal movement emerged at the turn of the twentieth century emphasizing the need for Christians to have a powerful experience of the Holy Spirit It advocated the return to a pristine early Spirituality in which empowerment by the Spirit was essential Recently Pentecostal and Charismatic movements are playing down the classic expressions and moving towards more mainline approaches As church movements develop they become more structured less spontaneous and more routine But is this always inevitable The author explores a contemporary Pentecostal movement to discover whether a radical spirituality still can effectively interface with a complex twenty first century world This insightful research finds a Pentecostal spirituality that is flexible adaptive and innovative and despite humble origins now is making inroads into the middle class While tensions over charismatic freedom remain the developing organizational structure is facilitating significant growth Valuable lessons for Christians of all persuasions are found and some creative theological developments are suggested for church structure and for expanding traditional understandings of baptism in the Holy Spirit *The Minister's Manual for 1990 (Doran's)* James W.
