Assessment Center Strategy And Tactics:

Assessment Center Strategy and Tactics Michael A. Terpak, 2008 Firefighters who want to advance must be skilled not only on the fireground but in the assessment center as well In *Assessment Center Strategy and Tactics* Deputy Chief Michael A Terpak provides a comprehensive approach to the assessment process He includes step by step test preparation scoring strategies and test taking tips as well as study cues for exercises that involve structure fires hazardous material incidents structural collapse and beyond Features benefits Real world exercises Measurable answer keys Wisdom from a firefighter fire officer with 32 years experience in one of the nation s most congested and busiest cities *Soviet Strategy and Tactics in Economic and Commercial Negotiations with the United States* National Foreign Assessment Center (U.S.), 1979 *Mastering the Fire Service Assessment Center* Anthony Kastros, 2006 This book identifies the key knowledge skills and abilities required for success in the assessment center promotional process Assessment centers are widely used by fire departments throughout the country Unfortunately many candidates fail to prepare for the test by failing to prepare for the position they seek Whether aspiring to be a Lieutenant Captain Battalion Chief or above this book gives the reader the tools to establish a personal plan for success in the test and in the position This book is written in a humorous matter of fact style that makes it easy to understand and retain The reader is taught to truly prepare for the position and make the mental paradigm shift from test candidate to incumbent officer which is a very unique and effective method The book provides the reader with the tools needed to create his her own plan for success A personal self assessment helps the aspiring officer evaluate his her current status and leadership style This baseline provides the foundation to get the reader asking questions about real world scenarios that are mimicked in the testing arena Features benefits Gain a better understanding of what an assessment center is Contains test exercises sample problems rating criteria scoring sheets assessor selection and common pitfalls Learn the 27 knowledge skills and abilities KSA s spanning the 3 dimensions of leadership management and emergency scene operations Gain an in depth understanding of how to develop their KSAs to succeed in the test and the position **Mastering the Fire Service Assessment Center, 2nd Ed** Anthony Kastros, 2018-04-16 Bridge the gap between where you are and where you want to be Do you have the knowledge skills and abilities to evaluate behavior performance and readiness Read *Mastering the Fire Service Assessment Center* to identify what you need to learn and understand how to learn it There is no way you can read and reflect on the wisdom in these pages and not become a better person and a better firefighter Why Read This Book The American fire service is facing a new normal fueled by mass exodus influx of new generations of firefighters a lack of hands on leadership training sweeping changes in mission decimated budgets and the genetics of task oriented reactive forefathers The greatest and perhaps only area that we can affect directly is hands on inspiring realistic and useful training for our aspiring and incumbent leaders This book will help you regardless of the fire officer rank you seek It will help you know where you need to improve how to develop a specific personal plan to

become an excellent officer and how to do well with whatever assessment center exercises throw at you NEW MATERIAL in this second edition Enjoy reading Wisdom from the Masters from 18 fire service luminaries They provide invaluable insights and challenges you will face as you prepare to promote whether for the first time as a company officer or up the chain as a chief officer Learn lessons from thousands of students from the past 12 years whose feedback will benefit you in this second edition Benefit from the many new elements in this book including relevant articles additional exercises and content regarding the dimensions of leadership management and emergency operations The complexities of being a fire officer in the 21st century require an undercurrent of humility while continually pursuing mastery of leading in the modern fire service Learn how to lead the modern day firefighter in a modern world with modern technology modern fire behavior and modern sociopolitical and economic challenges Many firefighters ask themselves if they really want to do this job but nothing is as professionally rewarding and challenging as leading others in battle to save lives This book will give you the greatest probability of success in your assessment center process Bobby Halton editor in chief Fire Engineering magazine *Fire Officer: Principles and Practice* Michael J.
